

Charlotte Labor and Management Unite For Victory

Long before Pearl Harbor the South led the entire country in recognizing the danger to our American Way of Life. So—even now, Southern communities like our own Charlotte lead the country in intensified co-operation for our ultimate VICTORY.

JOIN THE ATTACK ON TOKYO,

...YOURSELF!

Every person in America may not fly over Tokyo, but every one's dollars can help produce the bombing planes that do!

You, you, you, can join the attacks on Tokyo by saving at least 10% of your pay in War Bonds—by joining your company's pay-roll savings plan today or going to your local bank or post office and buying War Savings Bonds—at least 10% of your pay—every pay day.

Remember you can start buying War Bonds by buying War Stamps for as little as 10c and that you get a \$25 War Bond (maturity value) for only \$18.75.

ON THE OFFENSIVE AMERICA!

Wars are won by attacking, not by sitting in a fort!

And today America is taking the offensive against the Axis with hard-fighting, non-stopable men and materials!

We're taking the offensive, too, against the enemy at home—the inflationary 6th column that blows prices sky high.

You can help in both fights by saving at least 10% of your money in U. S. War Bonds every pay day. Attack the Axis with your dollars today.

You can start with as little as a 10c War Stamp and you can get a \$25.00 War Bond (maturity value) for only \$18.75—at your local post office, bank or other convenient sales agency.

FARMERS...

Make every market-day BOND DAY!

For our fighting men, for our country's future and for freedom we must meet and beat our country War Bond quota and keep on doing it.

Pick up your War Bonds and Stamps on your second stop in town... right after you've sold your eggs, milk, poultry, stock or grain. No investment is too small and no investment is too large... the important thing is to buy every time you sell!
