WESTBROOK PEGLER'S NEWSPAPER PICKETED

Reports from New York state that the World-Telegram, the "home" newspaper of Mr. Westbrook Pegler has been picketed by a thousand members of the Maritime Union. I desire to take a different stand on this matter than all the other labor papers, and I do not believe it wise to picket him or to write to his newspaper to "take him out" or for working men to write to their local paper if his stuff happens to appear in it.

The reason for this is simple. If the protests were strong enough to cause his removal from a paper, a couple of weeks would go by and no one would remember one solitary line that Pegler has been writing these several years—all that would be remembered is that "he was forced" out of a job—and w would help to catapult him into undeserved "martyrdom." No, let him be—a complete Victory of the United Nations would be the best answer to the Peglers who are waiting around like vultures for us all to cave in so they can become the "white men on horseback." Let him talk about merchant seamen getting drunk, and let him keep harassing the President, his wife, union labor, workers, men and women, and let him continue to pray for a "blow-up" among the democratic forces of liberalism. He is slowly taking enough rope, so let the rope be a good long one.

OUR ANSWER TO PAGLER SHOULD NOT BE PROTESTS TO HIS NEWSPAPERS OR PICKET LINES AROUND HIS OFFICE—BUT AN INTENSIFIED ALL OUT EFFORT ALL THE WAY DOWN THE LINE—PRODUCING FOR ATTACK, BUYING BONDS FOR OUR SOLDIERS—AND GENERALLY MINDING OUR BUSINESS. PEGLER WILL BECOME ENTANGLED IN HIS OWN MIRE SOON ENOUGH.—H. L. Golden.

Lemon Whipped Cream Tops Parfait

By BETTY BARCLAY

BLESSED with the sparkle and glamour of pre-war days, this Orange Rice Parfait is a joy to serve for there's color galore in the layered arrangement and its tempting taste produces all the "ohs" and "ahs" a hostess could desire. Along with all these pre-requisites the dessert is easily prepared too and is from foods which are readily obtainable.

Golden California oranges form a "just right" base for the parfait for they're practically seedless and are easily sectioned. The naturally sweet juice of this fruit helps to make a tempting sauce which pleasantly adds to the flavor appeal of the entire service.

And to top it all off, you'll be surprised at the perky texture of the Lemon Whipped Cream garnish. It's sure to please both the family and friends. To whip light cream with lemon juice, beat one cup chilled light cream with two tablespoons powdered sugar until frothy. Add one teaspoon lemon juice and beat until stiff. It is best to have the bowl and beater thoroughly chilled for this process. Note: Cream from the top of a bottle of rich fresh milk, which has stood for 48 hours, may also be used in this same manner.

Low for the rice filling. To prepare it you need:

Orange Rice Parfait
 1/2 cup uncooked rice
 1 pint boiling water
 1/2 teaspoon salt
 1/2 pint cream, whipped
 1 cup orange juice
 1/2 cup sugar
 1 tablespoon grated orange peel
 Wash rice thoroughly in cold water. Cook in boiling salted water until tender. Do not overcook. Pour into a strainer and wash several times in cold water. Spread out on a cloth to keep rice grains separated. Sprinkle 1 teaspoon of the grated peel over the rice. When cold fold the rice into the whipped cream and serve with sauce made by combining the orange juice, sugar and peel, which has been stirred until sugar is dissolved. For parfait arrangement, in bottom of glass place three orange sections and about 1 inch of orange sauce. Add a layer of rice pudding and top with three more orange sections and Lemon Whipped Cream. Serve chilled thoroughly.

THE UNION MAN

I'm just an old coal miner and my shift is nearly in.
 I'm just waiting here for pay day, for it's time to pull the pin
 That holds my earthly coupling, and I'm ready now to go
 To see the Super in the sky; my card is good, I know.

I've got no special credits, I'm just a mining man
 Who drove his entry here on earth according to the plan.
 I set my sights inside the Roomneck and drove clean and
 straight,
 Did my best to watch for boney and toss aside the slate.

Life hasn't been a picnic but I'm taking up no case.
 I'll greet the Super man to man when I meet him face to face.
 I never had no schoolin' but I learned the Golden Rule
 And followed out the teachin' of the good old Union School.

Each man I called my brother, no matter what his creed,
 I've backed him in his battles and I've lent no ear to greed.
 An injury to a member was an injury to me,
 That every fight of his was mine, was always plain to see.

I've seen the Union come and go, and go and come again.
 To reappear and smooth the way, to light the path of men.
 I never took a brother's job when fighting for his right,
 I never scabbed a single day or dodged a Union fight.

I answered every strike call and stuck until the end,
 I backed our leaders in each fight and never wronged a friend.
 I've starved and slaved, I've worked and saved, I've fought for
 unity,
 I've shared my bit with others, they've shared their crust with
 me.

I've lived up to the Union creed, that's all that one could ask.
 My dues are paid up to the day when I complete this task.
 I'll unload in the manway when the last mantrip has run,
 And I'll hear St. Peter say, "Come in, you loyal Union Man."

L. T. U. To Vote Again On A. F. L. Affiliation

INDIANAPOLIS. — One hundred and fifty-three locals of the Intl. Typographical Union have ratified a call for a referendum of the union's entire membership on reaffiliation with the AFL, ITU Pres. Claude M. Baker announced here.

A resolution calling for reaffiliation was submitted by Newark Local 103. No date for the referendum has been set by the ITU executive council, Baker said.

The referendum resolution would mandate ITU officers to resume payment of dues to the AFL, provided the federation agrees to cancel all past indebtedness and definitely guarantees the autonomy of the ITU.

The ITU was expelled by the AFL in October, 1939, after the membership had twice refused to pay a special 1c per capita assessment levied by the AFL to combat the CIO. At the time of expulsion the ITU was two years in arrears on the assessment. Before per capita payments could be resumed, reaffiliation would have to be ratified by the AFL convention.
