Charlotte Typos Elect Officers and Delegates

At the election for officers held Wednesday at the seven chapters of the Charlotte Typographical Union No. 338, the following officers were elected. The heaviest vote was of course at the Charlotte News and Charlotte Observer chapters.

President J. T. Primm was re-elected for his third term, defeating E. G. Cleaver.

Others officers chosen were: C. J. Pridden, vice president; Paul E. Craft, secretary and treasurer; H. L. Beatty, recording secretary; and W. D. Austin sergeant at arms. Mr. Beatty was re-elected to his office for the 28th consecutive year.

Those selected to the auditing committee were E. G. Cleaver, W.

H. Haines, and John F. Stokes.

H. L. Beatty was elected delegate to the International Typographical Union convention which will be held at Oakland, Calif., August through 20.

Delegates to the State Federation of Labor convention, which will be held in Charlotte on August 8, 9 and 10, were C. L. Alben, W. D. Boger and H. A. Staffs.

Delegates chosen to the Central Labor union were C. L. Alben, Cecil Presson and H. A. Staffs.

Those elected to the Charlotte Allied Printing Trades council were C. L. Alben, H. L. Beatty, W. D. Boger, O. N. Burgess and C. J. Pridden.

It was announced that Mr. Primm and Fred J. Moody will

be delegates from the organization to the Virginia-Carolina Typographical conference to be held at Roanoke, Va., this week end. Mr. Beatty will go as delegate from the Allied Printing Trades council and O. N. Burgess of this city, who is secretary and treasurer of the conference, will attend by virtue of his office. The organization has approximately 6,000 members. A feature of the convention will be an address Sunday by Woodruff Randolph, president of the International Typographical union.

Members of the union voted in favor of the proposal to increase salaries of international officers. Under the plan, the president and secretary, now receiving \$10,000 a year, will have salaries of \$12,000, and the first, second and third vice presidents, who receive \$7,500 a year, will be advanced to \$9,500 a year.
