

**Letter Carriers Buy U. S. Savings Bonds**

The National Association of Letter Carriers, its Mutual Benefit Association and National Sick Benefit Association, added to their portfolios of U. S. Savings Bonds at Washington, D. C., on June 10 by investing \$155,000 in Series G Bonds. The National Association purchased \$35,000 worth, the Mutual Benefit group \$100,000 and the Sick Benefit Association \$20,000.

The Bonds were presented by Mrs. Thelma Dawson, a Building Trades employee and an outstanding Savings Bonds volunteer worker, on one of the Opportunity Drive Covered Wagons. With a bevy of Washington girls in '49er costume forming a background, the National Association officers are pictured above, left to right, Phillip Lepper, D. R. Sullivan, Mrs. Dawson, Jerome J. Keating, William C. Doherty, Fred O. Andrews and K. B. Kremers.

**Covered Wagon Setting for U. S. Bond Ceremony**

The National Association of Letter Carriers together with its Mutual Benefit Association and National Sick Benefit Association on June 10 purchased a total of \$155,000 worth of Savings Bonds (Series G). The investment was divided as follows: National Association, \$35,000; Mutual Benefit group, \$100,000; and Sick Benefit Association, \$20,000.

A ceremony of presentation was held during the visit of an Oppor-

tunity Bond Drive Covered Wagon to Washington, D. C., with high officials of the three groups attending. The Bonds were turned over by Mrs. Thelma Dawson, an employee of the Washington Building Trades Council and one of the outstanding volunteer Bonds salesmen of the country.

As the Covered Wagon drew up before Labor's League for Political Education building it was met by newsmen, photographers and Association representatives. Manned by a number of attractive girls dressed in '49er costumes, the wagon, resting on a Fruehauf trailer and powered by an International truck, provided a very colorful setting for the program.

Representing the National Letter Carriers Association were: William C. Doherty, Cincinnati, president; D. R. Sullivan, San Francisco, vice-president; Jerome B. Keating, Minneapolis, secretary; K. B. Kremers, Seattle, assistant secretary; Phillip Lepper, New York, and Fred O. Andrews, Chicago; Mutual Benefit Association: Everett H. Burns, Los Angeles, president of the Board; Ben Sparks, Nashville, chief collector; John W. Schmidt, Milwaukee, and Thomas Keating, New York; Sick Benefit Association: Spencer Locke, Orlando; Thomas Gerraty, East Orange, N. J.; Peter J. Cahill, Boston, and Howard M. Nicol, Cuyahoga Falls, Ohio.

**Letter-Press Printing**

Letter press printing in the graphic arts means the direct application of inked type and engravings or other type material to paper.

It is the simplest of all graphic methods of reproduction and at the same time the most lasting. It was the method employed by the medieval craftsmen who first applied type to paper and it has persisted throughout the centuries over all innovations, until today, when the best of craftsmanship is sought in a job, there is no alternative to letter press printing, along with high grade paper and typographic good taste.

We suggest that if you have some printing in view that you want well done, you consult us. Simply telephone 5-1776 or else call at the office, 118 East Sixth St., Charlotte, N. C.

**Magic of the Telephone**

Your telephone can do more tricks than a vaudeville magician. It can't sit on its hind legs, but it can stop a corporation's board meeting dead. It can't whistle Dixie, but it can bring news faster than press or radio. It can't balance a ball on its dial, but it can tell you where to buy yours flowers and clothes.

How? Time Service does it. Time Service puts clever advertising messages in 10,000 ears every day . . . right here in Charlotte, where it counts. Cost? Less than a penny a call.
