Magic of the Telephone

Your telephone can do more tricks than a vaudeville magician. It can't sit on its hind legs, but it can stop a corporation's board meeting dead. It can't whistle Dixie, but it can bring news faster than press or radio. It can't balance a ball on its dial, but it can tell you where to buy your flowers and clothes.

How? Time Service does it. Time Service puts clever advertising messages in 10,000 cars every day . . . right here in Charlotte, where it counts. Cost? Less than a penny a call.
