CROP Food Helps Homeless Girl, 4

Four-year-old Ursula Gramarok, one of the millions of refugee children in Germany, has no home of her own. But she does have some food every day. She gets it at the Grubweg church home, which is supplied from contributions which were made by American farmers in this and 25 other states to the Christian Rural Overseas program (CROP).
 In the year ending June 1, a total of 75,668,581 pounds of farm commodities had been contributed for distribution in 22 of the 43 nations served by CROP's sponsoring agencies: Catholic Rural Life, Church World Service (22 Protestant denominations), and Lutheran World Relief. Gifts in kind included 28,975,504 pounds of wheat for 38% of the total, 22,061,357 pounds of corn for 28%, and 13,185,661 pounds of beans for 17%.
 Meanwhile, plans are well advanced for extending the CROP drive nation-wide this year. Already, organizations have been set up in 20 states, and 11 others are in the process of organization for harvest season campaigns.

cuts of meat rose during the month, with increases of 10 per cent for pork chops, 7 per cent for round steak and chuck roast, and 5 per cent for rib roast.
 Fresh fruits and vegetables declined 1.5 per cent, contrary to the usual seasonal movement, as prices of cabbage and lettuce dropped 20 per cent, green beans and spinach more than 6 per cent, and potatoes more than four percent. Prices of onions advanced 9 per cent and oranges 8 per cent.
 Prices of wearing apparel, declining for the eighth consecutive month, fell .5 per cent in the May-June period to a level of 5.6 per cent below the peak reached in October, 1948. Prices for work clothing and men's and boys' furnishings continued to fall. Lower prices were reported for women's rayon dresses and slips, nylon hose and cotton dresses.

The index for the cost of house-furnishings, fell 1.2 per cent from May 15 to June 15, as prices of sheets, curtains, electric refrigerators, radio-phonographs, living room, bedroom and dining room furniture continued to decline. House furnishings prices in June 15 were about six per cent below the October peak.
 Rents increased slightly to continue for the third month the upward trend found in all of the cities surveyed.

Prices of wearing apparel, declining for the eighth consecutive month, fell .5 per cent in the May-June period to a level of 5.6 per cent below the peak reached in October, 1948. Prices for work clothing and men's and boys' furnishings continued to fall. Lower prices were reported for women's rayon dresses and slips, nylon hose and cotton dresses.

Communion's Ten Commandments

By T. A. STEELE, Local 752, Kansas City, Mo.

I. I am thy God and Master too, Obey my will in all ye do; Enshrine my name within thy heart, And bid all other gods depart.

II. Where'er my image thou doth see, Show thy respect with bended knee, Lest thee and loved ones feel the sting My jealousy will surely bring.

III. If thou doth take my name in vain Thy guilt will cause thee grievous pain; So speak of me in humble tone, At market place and when alone.

IV. Forget the Sabbath, do not rest, But labor on and give thy best, And see that all within thy gate Shirk not unless they feel my hate.

V. Respect thy parents 'till the hour Hath come when they refute my power; Then break their aged hearts and flee, Forgetting all they did for thee.

VI. Thou shalt not shirk or stop to take The life of one if for my sake; Let not compassion stay thy hand, And in my favor thou shalt stand.

VII. If thou hast children at thy door Remember I have need for more; So propagate, obey my laws! Thy flesh and blood must fight my cause.

VIII. For me take from the rich and poor At point of gun, and seek for more; Heed not their pleas, no succor give— What if they die? Must I not live?

IX. If thou art called to make a choice 'Twixt me and others let thy voice Defend my cause though thou must lie; Heed not the other's honest cry.

X. If thou doth covet in thy mind The things thy neighbor hath, go find A way to seize his goods, and then Give unto me two-fold. Amen.

NLRB THROWS OUT BOYCOTT INJUNCTION AFTER CANCELLATION OF PROJECT AT ISSUE

(Continued From Page 1) cannot prevent the general counsel from issuing complaints. Mr. Denham contends that the agency has jurisdiction over everything "affecting commerce" and that when his office issues a complaint the board cannot decline to consider the merits of the case. The board has continued to decline in small cases, and Mr. Denham continues to issue complaints.

JUDGE HOLDS FEDERAL RENT LAW INVALID

(Continued From Page 1) Supreme Court reversed the Cleveland judge. Judge Shaw held that if Congress wanted to extend rent control, it could have simply extended the expiration date of the old act. The object of the new law, with the local option clause, was to provide for ending of rent control as painlessly as possible.

LIVING COSTS RISE SLIGHTLY DUE TO HIGHER FOOD PRICES

(Continued From Page 1) is 72 per cent above August, 1939, level.
 Food prices rose .9 per cent. Rents and fuels rose slightly, also. These increases were partly offset by declines of 1.2 per cent in the prices of house furnishings, .5 per cent in apparel prices, and miscellaneous goods and services, which dropped .2 per cent.
 The food index on June 15 was 204.3 per cent of the 1935-39 average, or 4.6 per cent lower than a year ago, but 40 per cent above the June, 1946 level. Between mid-May and mid-June, food prices rose in 53 of 56 of the cities surveyed. Memphis, Los Angeles and Seattle were the exceptions.
 The rise in food prices over the month was due principally to more-than-seasonal increases of 5 per cent in meat prices, and 3.7 per cent in prices of eggs. Beverages, sugar and sweets also rose fractionally. Price of all

CANNING TIME

Saving food at home is really important, to provide variety and decrease cost of your family's food—and to help in the struggle for world peace.

So check by this list to make sure you avoid frequent causes of spoilage—

- Wash your jars thoroughly.
- Use only NEW jar rings or discs. Discard rings or discs, after one using.
- "Bump" the contents of jars to get rid of all air bubbles, and then seal.
- Tests for perfect seal vary according to type of jar used. FOLLOW CAREFULLY the instructions for type of jar you are using.
- Canning instructions are available from jar manufacturers, your State Agricultural College, or your County Demonstration Agent. Adopt a standard set and FOLLOW IT CLOSELY.
