LOOK OUT WHEN IT'S DARK OUT!

DARKNESS MEANS DANGER! 3 out of 5 fatal motor vehicle traffic accidents happen at night. Be extra cautious during the early hours of darkness, when light is most deceptive. Drive slowly and dim lights for approaching cars.

Be Careful—the life you save may be your own!

THERE'S NOTHING FINER THAN TO LIVE IN NORTH CAROLINA

Don't miss the Azalea Festival this year—Wilmington March 31-April 2. Many people come from faraway parts of the country to visit—yet it's right here at home for all of us. Remember fishing picks up on the coast in March—Spring is getting an early start and it's good to be alive in North Carolina.

Easter is March 25th this year.

All of our golf courses begin to get extra workouts with Pinehurst holding a tournament on March 30th—preceded by an early spring horse show on the 25th. March, of course, is the month for early planting of tobacco seed beds—as if you didn't know—also white beans, watermelons.

Did you know the cotton gin was patented March 14, 1794?

Yes, there is plenty for all, of work and play, that goes to make North Carolina a grand place to live, and, for refreshing relaxation any time, most of us can enjoy a temperate glass of beer—sold under our ABC system of legal control that is working so well.

Speeding The Parting Guest
You've got a pretty place, Frank," said the departing guest. "But it looks a bit bare-yet."
"Oh," explained Frank, "it's because the trees are rather young. I hope they'll have grown to a good size before you come again."

Take Care
Two Rumanian workers were walking along side by side, their heads bent low, their faces sad and drawn. They were not talking to each other. Suddenly one of them spat on the ground and the other immediately did the same.
"That's enough," said the first. "If we continue, they'll think we are discussing politics."

Accommodating
Into a busy telegraph office hustled a smiling matron. She sat down at a writing table and after much pencil-chewing produced a message. Handing it on to the clerk, she asked as an afterthought "Will it cost me anything to underscore the words 'perfectly lovely'?"
"Not a cent, madam," the clerk replied.
Whereupon the cheerful lady recalled the message, drew a line under the two words, and departed happily.

Sympathetic
Bootblack: "Shine your shoes, mister?"
Businessman: "No."
Bootblack: "Shine 'em so you can see yer face?"
Businessman: "No."
Bootblack: "Don't blame you."

Expensive
MacTavish: "I hear yer friend Angus has marrit a third wife."
Elder: "Aye, Angus is an expensive freend—two wreaths and three presents in seventeen years."
