There is Nothing Finer than to Live in North Carolina

July divides North Carolina into two groups—those who like the mountains and those who prefer the seashore—but right square in the middle of the state in Burlington July 19-21 the Jaycees hold their "Miss North Carolina" Beauty Contest. So July is the month when we move about, take trips and enjoy our state. And just to prove that it's not all play and no work, the Southern Furniture Market in High Point plays host to more than 5000 visiting buyers intent on business, July 9-21. In the same month you can go to the Craftsman's Fair of Southern Highlands in Asheville, July 10-12.

And almost everywhere you can also enjoy a cool, temperate glass of beer—sold under our State ABC system of legal control that is working so well.

**Vets Administration Should Be Informed**

Veterans who are in training under the G. I. Bill should make certain when their training is completed or interrupted, that the Veterans Administration is informed of that fact, according to the VA. Otherwise the veteran will receive one or more subsistence checks for a period when he was not actually in training, and the checks will have to be returned.

A veteran is not entitled to subsistence allowances for any month in which he is not training. The veteran, as well as the school or college concerned or the on-job training establishment, should see to it that the VA is notified without any delay when a veteran's training is completed or interrupted, the VA said.

If a veteran receives a check for payment to which he is not entitled, it should be returned to the U. S. Treasury Department, rather than to the Veterans Administration. If the check is not returned, the VA is required to collect the overpayment.

Q. Does a veteran have to be honorably discharged to be awarded monetary benefits of VA?  
 A. An honorable discharge to be awarded.

A. Under existing laws, it is not necessary for a veteran to have ed benefits. However, it is necessary that he be discharged under conditions other than dishonorable.

Q. As a World War II veteran,

will I have to pay a fee to have someone represent me in my claim for benefits for VA?

A. If you are represented by an official of an accredited service organization or the American Red Cross, there is no fee. If you are represented by a lawyer or agent who has been admitted to practice before VA, such attorney or agent is permitted to charge \$10 in an original claim, or \$2 in a claim for increased benefits.

Q. May I appear personally before the Rating Board in my own behalf?

A. Yes, but you must make a definite appointment to do so and be punctual if the hour of hearing has been designated.

**REAL PRICE CONTROLS KEEP YOUR BILL DOWN**

Real price controls keep down your bills. Remember this: From June, 1943, when the old Office of Price Administration (OPA) got down to business, until January, 1946, when reactionaries began hacking away at controls, the cost of living increased only 2 1-2 per cent.

But from 1946 until the Korean war started last June the cost of living shot up 35 per cent. All price controls ended late in 1946. In the past year alone the cost of living has gone up 9 per cent. These figures are from the Bureau of Labor Statistics (BLS).
