### SENATOR MOODY TO SEEK JOBLESS AID

(Special Correspondence)  
Detroit. — Spurred by the Detroit Federation of Labor, U. S. Sen. Blair Moody (D., Mich.) will introduce an emergency

amendment to the Social Security Act which will call for extra jobless pay to supplement present state benefits to workers laid off in the changeover to military production. He will introduce his bill when Congress reconvenes January 8.

Details have not been worked out yet.

According to Michigan's Gov. G. Mennen Williams, there are presently 145,000 unemployed in Michigan, 103,000 of them in Detroit.

"By January 15," said Senator Moody, "statisticians predict that total will have risen to 155,000 in the state, including 110,000 in Detroit."

By comparison, very few of the jobless in Detroit are AFL members, but experience has shown that continued unemployment quickly reflects upon all trades.

### SHOCKING PLANE TRAGEDY

At least 54 persons were killed in the nation's second worst plane disaster. A non-scheduled two-motored passenger plane, bound for Florida, crashed into the Elizabeth river 7 minutes after it took off from Newark airport. All aboard perished in the flaming wreckage. Even passenger lists were not available as official investigations into the causes of the crash were begun.
