**WATCH YOUR FOOT-
 STEPS**
 Watch your footsteps, fellow pil-
 grim,
 As you travel day by day,
 Lest you take the wrong direc-
 tion
 That will lead you far astray
 From the Beulah land of blessing,
 From the goal of grand suc-
 cess,
 Far away from God and heaven

UNIONS FINANCING

 of a drive to raise \$50,000.
 The money will be turned
 over to the Israel Federation
 of Labor, the Histadrut — a
 gift from one union to an-
 other.
 Of 750,000 newcomers just
 arrived in Israel during the
 past year, nearly a quarter-
 million live in tents and
 sheds. Building tradesmen
 are desperately needed. The
 new mill is intended to de-
 velop new skilled workers as
 well as building material.

Joseph D. Keenan, secre-
 tary-treasurer of the Build-
 ing Trades Department of
 the American Federation of
 Labor, was principal banquet
 speaker.

Where there's only sad distress.
 If you take the road of evil,
 Though you travel with a
 throng,
 Just remember you shall suffer
 Consequences of the wrong;
 For there is a law of nature,
 And a moral law of God,
 That a man shall reap a harvest
 For the way that he has trod.

So it pays to walk with Jesus
 Up the blessed path of light,
 Leading always from the evil,
 And the things that curse and
 blight,
 To the heights of righteous
 beauty
 And the saints' eternal goal,
 Where the blessed peace of heav-
 en
 Shall forever fill the soul.
 Watch your footsteps; fellow pil-
 grim;
 Do not run from God away;
 Hunger after truth and goodness;
 Never cease to watch and pray;
 Set your heart on heaven's por-
 tals
 An the life of true renown
 That with prophets, saints and
 sages
 You may some day wear a
 crown.

A BARREL OF WHISKEY
 A barrel of whiskey contains
 something more than an ordinary
 barrel of the same size; for, in
 addition to its regular forty-two
 gallons, it contains:
 A barrel of headaches, of heart-
 aches, of woes;
 A barrel of curses, a barrel of
 blows;
 A barrel of tears of a world-
 weary wife;
 A barrel of sorrow, a barrel of
 strife;
 A barrel of unavailing regret;
 A barrel of cares and a barrel of
 debt;
 A barrel of hunger, of poison, of
 pain;
 A barrel of hopes ever blasted
 and vain;
 A barrel of falsehood, a barrel of
 cries
 That fall from the maniac's lips
 as he dies.
 A barrel of poverty, ruin, and
 blight;
 A barrel of terror that grows
 with the night
 A barrel of crimes and a barrel
 of groans;
 A barrel of orphans' most pitiful
 moans.
 A barrel of whiskey is the
 devil's most active agent, through
 which he destroys man's body and
 soul, home, family and all that is
 sacred.—Selected.

Have you heard the good news?

**A NEW LAW MEANS YOUR SERIES E BONDS
 CAN NOW GO ON EARNING INTEREST
 AFTER THEIR MATURITY DATE**

Ten years ago, did you go to the defense of your country with the purchase of U. S. Defense Bonds? If you have kept those bonds here's good news for you.

keep up your regular saving with more U. S. Defense Bonds—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that lets you save before you draw your pay. Thousands say it's the one sure way to save!

Congress has passed a law which makes it possible, now, for your Defense Bonds to go on paying you interest longer than was originally planned—with absolutely no effort on your part.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

New Series H, J, and K

Defense Bonds pay 2.76% to 3%

You may still redeem any Series E Bond at any time after you've owned it for sixty days. But holding on to your bonds is the smart thing to do if you can. For in U. S. Bonds your money is safe... your government bonds are as safe as America itself.

And don't forget that the money you put into U. S. Bonds regularly and leave there is steadily growing into a larger and larger sum. Before you know it you'll have money enough for a home, a business, a retirement fund, an education for your children, or whatever really big thing is your personal dream. Now, remember, your Series E Bonds earn 3% interest compounded semiannually when they're held to maturity.

Bonds are safer than cash, too. For once lost, cash is gone forever. But if your bonds are lost or accidentally destroyed your United States Treasury will replace them at no cost or loss to you.

So if you have bonds which are coming due this month, remember the new money-making chance your government is giving you. Just hold onto your bonds and they'll go on earning for you. In the meantime

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

Series H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years, 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value.

Series J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

Series K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

Now even better... invest more in Defense Bonds!
