FIVE POINTS FOR YOUNG CHRISTIANS

Five things, if remembered, will help you each day; Obeyed, they will keep you from going astray; Though Satan may tempt you and trials betide, You surely will conquer, and Christ will abide. "Keep looking to Jesus." He never can fail, And walk in His footsteps in every detail; The world's vain allurements will vanish from sight, By "looking to Jesus," your Saviour and Light. "Read daily your Bible," if you would be strong To witness for Jesus and overcome wrong; "The Author," "The Book," and "the doer" abide, But they who neglect it will surely backslide. "Pray without ceasing," this will bring you to Him Who cleanses and keeps you a victor o'er sin; There's nothing so great that our God cannot do, And nothing so small but He'll undertake too. "Confess Him to others," be bold for your King To those who are lying in darkness and sin; What help can you better, to all

recommend, Than this blessed Jesus — the needy one's Friend? So seeking to please Him through life day by day, His presence shall gladden each step of your way.

DO YOU JUST BELONG?

Are you an active member— The kind that would be missed? Or are you just contented That your name is on the list? Do you attend the meetings And mingle with the flock? Or do you stay at home To criticize and knock? Do you take an active part To help the work along Or are you satisfied To only just belong? Do you ever go to visit A member that is sick, Or leave the work to just a few And talk about "the clique"? Think this over, member, You know right from wrong, Are you an active member, Or do you just belong?

Have you heard the good news?

A NEW LAW MEANS YOUR SERIES E BONDS CAN NOW GO ON EARNING INTEREST AFTER THEIR MATURITY DATE

Ten years ago, did you go to the defense of your country with the purchase of U. S. Defense Bonds? If you have kept those bonds here's good news for you.

keep up your regular saving with more U. S. Defense Bonds—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that lets you save before you draw your pay. Thousands say it's the one sure way to save!

Congress has passed a law which makes it possible, now, for your Defense Bonds to go on paying you interest longer than was originally planned—with absolutely no effort on your part.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. But holding on to your bonds is the smart thing to do if you can. For in U. S. Bonds your money is safe... your government bonds are as safe as America itself.

And don't forget that the money you put into U. S. Bonds regularly and leave there is steadily growing into a larger and larger sum. Before you know it you'll have money enough for a home, a business, a retirement fund, an education for your children, or whatever really big thing is your personal dream. Now, remember, your Series E Bonds earn 3% interest compounded semiannually when they're held to maturity.

Bonds are safer than cash, too. For once lost, cash is gone forever. But if your bonds are lost or accidentally destroyed your United States Treasury will replace them at no cost or loss to you.

So if you have bonds which are coming due this month, remember the new money-making chance your government is giving you. Just hold onto your bonds and they'll go on earning for you. In the meantime

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

New Series H, J, and K

Defense Bonds pay 2.76% to 3%!

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

Series H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years, 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value.

Series J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

Series K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

Now even better... invest more in Defense Bonds!
