

NINE WRONG VOTES

Henry Talle, author of the Talle amendment to eliminate price controls, has voted consistently against measures supported by labor and other liberal groups.

Last year, for instance, Halle was listed as having voted wrong on all nine key votes which Labor's League for Political Education used as a guide to judge the records of Congressmen.

Talle, whose biography in the Congressional Directory says he is "an educator in economics and political science," has represented a rural Republican district in northeastern Iowa since 1939.

IF I COULD PAINT AS ARTISTS DO

If I could paint as artists do
 Who have a mighty skill,
 I'd like to paint a masterpiece
 And give the world a thrill.
 I'd paint the picture of a girl
 Like noble men admire—
 A natural woman like God makes
 Without the world's attire.

She wouldn't have a cigarette
 Stuck in between her lips;
 She wouldn't drink her beer nor
 dopes,

Nor take her liquor tips.
 She wouldn't be a movie star
 Nor idler on the street;
 She would indeed demand respect
 From all whom she should meet.

Her hair, you know, would be full
 length—

No ugly, boyish bob;
 She wouldn't be a powder-puff,
 Her lips no paint would daub.
 She wouldn't be the flapper sort
 With virtue thrown away;
 She wouldn't be a butterfly—
 A simple flirt and gay.

I'd picture her in neat apparel
 With honor on her brow;
 Her face would be an index to
 Her character somehow;
 And she would show the world
 around

That womanhood is grand,
 When lived upon the highest
 plane
 That God for her has planned.

She'd be a lifter to the world
 A leader in the right;
 She'd stand for all that's pure
 and good,

And all that's wrong she'd fight
 Until the world around would say:
 "Thank God for womankind,
 Who points us to the royal way
 Where gems of life we find!"

Letter-Press Printing

Letter press printing in the graphic arts means the direct application of inked type and engravings or other type material to paper.

It is the simplest of all graphic methods of reproduction and at the same time the most lasting. It was the method employed by the medieval craftsmen who first applied type to paper and it has persisted throughout the centuries over all innovations, until today, when the best of craftsmanship is sought in a job, there is no alternative to letter press printing, along with high grade paper and typographic good taste.

We suggest that if you have some printing in view that you want well done, you consult us. Simply telephone 5-1776 or else call at the office, 118 East Sixth St., Charlotte, N. C.
