Why are some people always late?

They never look ahead or think. People have been known to wait till planting season, run to the grocery for their seeds, and then regret over it for 20 months, rather than stop and think what they will want for the garden. VICK'S SEEDS never disappoint, is the verdict from the millions who have planted them. It is Flower or Vegetable Seeds, Plants, Bulbs, or anything in this line. MAKE NO MISTAKE this year, but send for copies for VICK'S Floral Guide, deduct the 25 cents from the order, it costs nothing. This pioneer catalogue contains three colored plates, Grandest Novelties ever offered in cash premiums to those sending club orders. \$1000 cash prizes at one of the State Fairs. Grand offer, chance for all. Made in different shapes from ever before, 100 pages 8 1/2 x 10 1/2 inches.
