paid the money. West Point as Instructor of Cavalry, We hope all our readers underwhile R. E. Lee was Superintendent, stand the matter, and will take and in 1855 he was made 1 t Lieuadvantage of our dollar rate and renew for 1892, for we do not want tenant with a view to his special ap to part with a single one of them. pointment as Adjutant, and he was with his command through the border

## PRESIDENTIAL TIMBER.

The New York Herald of 14th surveys the field for democratic presidential timber and finds a large unmuler of able men in the West and East who, it says, would fill the bill. Of New York possibilities it mentions only Mr. Cleveland, and Mr. Whitsey. Of Cleveland it scome to have serious misgivings. Virginia. There he participated in the It says of him :

" Mr. Cleveland may force the democrats to nominate bim, and that. in our belief, would be very pleasing armies. to the republicans. Cleveland against Hermon-a repetition of the last tickel-would not displease the re-Lucli ans. Nor would it encourage the democrats, who would naturally say to themselves that a candidate hesten when he was in the Presi- the purpose was changed and he was dential office may be far easter to heat when he is out."

This able new-paper says nothing keeping the Federals at New Berne whetever for the man who seems to from penetrating to the westward. most of the people the big democrat of New York just now; namely, David B. Hull. After mentioning a list of Western and Eastern men of posthe Headd concludes thus: that of the West.

+There is sound statesmanship and 'good polities' in almost every the National Express Company at there is no man in the list we have named for whom any citizen could thence to New Berne, where he has not yole with the assurance that if lived ever since, a period of about cratic votes. the battle were won the nominee fifteen years, and during which time would make an honorable, honest up to the close of his life he was and patriolic administration.

Assistant Engineer in charge of Nor does this random list conclude River Improvements upon the water the matter; there are a dozen other courses of North Carolina .

that same defeated, demoralized ity in this country for nearly one ememy flanked, routed and driven hundred years, and neither Grove from the field cannot win.

the other out nor findsted the cur rency. And during all that time No leader who has more confidence silver was oftener than otherwise at in his own wisdom and statesmanship a small premium. The very day than in the accumulated wisdom and British gold induced Mr. Sherman statesman-hip of his party can win. No man who treats one half of his and others to demonstry silver, a party with contempt and defiance silver dollar would buy a gold dol because, forsooth, they differ with lar and have three cents to spare. him on finance, taxation, mugwumi - Today Mr. Sherman says a silver ism or civil service reform can win doilar is worth only seventy four in 1892. No man who came to the cents. If this is true, and we bapresidency of the United States lieve it is, Mr. Sherman and every republican leader ought to be in the

through the patriotism, honesty, bravery and wisdom of the democratic party, after the party had been banthe d-monetization of silver and isr

Upon North Carolina's leaving the ished from power for more than Union he resigned his commission twent four yeas, and hat at his every 74 cent dollar in circulation. and tendered his services to his disposal the whole patronage of the native State. His appointment as government, and the privilege as any government to put any kind of terday, soulibound, to work in the Colonel of the First North Carolina well as the power to open the books money in circulation in times of turpentine fields of South Carolina Cavalry was made by Governor and turn the rascals out, and did peace worth less than gold, collar and Georgia. They are being hired Ellis, and the regiment was formed neither and was thereafter defeated for dollar. at Ridgeway as rapidly as possible . for the same position before the and on October 13th started to American people, can win in 1892, have said that every big man in the gions, and yet we have not heard of No man who appointed republicans party is not available as a candi- a single one of such being arrested. guarding of the line about Manasses, and mugwumps to office instead of date for 1892.
