# HOLD UP YOUR HEAD LIKE A MAN.

Well, what if you are in trouble, my friend. Or have debts which you cannot repay

an end. And each night is succeeded by day. A ways at his office when not Don't you know that repining will not help your case?

As soon as you wish? All streams have

To be cheerful's the far better plan; To be steadfast and firm, wearing a smiling face,

And hold up your head like a man.

Midst the turmoil of life we are prone to Our lot, should we make a mistake: But jog along easy and never say fail,

And you'll conquer what you under-There's much to encourage a resolute

heart. For your friends all your actions will

And will help and assist you in doing

If you hold up your head like a man. So, whistle and sing, drive dull care

And you surely will never regret That you tried to be thankful, contented

And fortune may smile on you yet. Your burdens are surely never so great But your Father will lighten the ban Under which your labor in sorrowing strait.

If you hold up your head like a man.

# The Work of North Carolina Women at the World's Fair.

The Lady-Managers appointed to collect specimens of work of the women of North Carolina, for exhibi-E. L. TRAVIS, tion at the Columbian Exposition, to e held in Chicago, desire to be placed in communication with experts in ill lines of woman's work, both usual and unu ual.

They lavite correspondence and suggestions on all subjects pretaining to the work they have In hand.

For the better prosecution of the details of this work, they have arranged it into the following Divisions. The name and address of the Lady-Manager in charge is given with each Division, so correspondence on the various subjects can be addressed to the lady in charge of that Division, and thus expedite

DIVISION A .- Colonial Display Curios, ancient and modern. Mrs. George W. Kidder, Wilmington.

DIVISION B -- Drawing, Paintings, Home Decorations, Wood-Carving, Sculpture, &c. Mrs. Charles Price, alisbury.

DIVISION C .- Needle Work, Taxi-Divine, Wilmington.

ature, Inventors and Inventions, Statistics, &c. Mrs. Robert R. Cotten, Falkland.

The competition at Chicago wil be both National and International and the standard of excellence is necessarily very high. Consequently the Lady-Managers urge upon the women of the State to endeavor on this occasion to excel any former efforts in their lines of work.

The Chairman of the Committee, Mrs. Robert R. Cotten, will take pleasure in replying to inquirtes on any subject not mentiored in the above clasification, which relate to the subject.

# A Million Friends.

# Deserving Praise.

We desire to say to our citizens that for years we have been selling Dr. King's New Piscovery for Consumption, Dr. King's New Life Quality of Goods guaranteed. Work Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we cured by it. The one comes of the stand ready to refund the purchase other. price, if satisfactory results do not tollow their use. These remedies have won their popularity purely on their merits. E. T. Whitehead & are the Little Regulators. Only 25 Year, or for anytime the said, as he run off toward the house. Co , Druggists.

WHAT MR. RUSK THINKS.

OF THE FUTURE

SOUTHERN FARMERS IN FUTURE .

(Atlanta Constitution.) Secretary Rusk, of the department of agriculture, takes a hopeful view of the southern agricultural outloot.

The secretary says that the south will eventually contain as fine farms as any part of the country. this wise "1 don't know what Mr. It has a large area of fertile lands, Blank will do, he can get no one to and the worn-out lands will be re- "run' him." claimed by proper cultivation. and the low price of cotton.

sections for products which should zen "he has no one to 'run,' him" be grown south.

flourish in the course of time.

The village system of farming finds scant favor in the eyes of Mr. Rusk. He does not think that it laziness? How many peoplet in will be successfully tried here. Our other lines of business have some farms will be reduced in size, and one else to "run" them? They ar the application of electiricity to without guardians and know not locomotion and all means of com- months ahead to a nicety how the farm-houses close together and in bills. But they do not complaining touch with cities and markets. The ly sigh that they have no one to day will come when every farmer advance money, or to sell goods on can talk over the telephone to his long time; but imbued with self reneighbors, and communicate with liance and a confidence in th the next town without leaving his future, they trustingly venture and

his brains. He says: "The sharp competitions between sections and countries which wil be induced by increased facilities for transportation will stir the agriculturist up to his best efforts His chances for fortune making will be great, but he will have to be prepared to fight the battle of com petition for them. He must be sufficiently well educated in science as tar as it is applicable to agriculture, and he must be intelligent enough to study his surroundings and to apply his knowledge to the conditions about him. He will be an equal footing, and his brains will command from his class in the industry which he presents the Etchings, Crayon Work, Pottery and respect and consideration which he deserves, and he will give other classes and other industries due respect in return The farmer of the future will be a business man dermy, Feather Work, Leather work, able not only to compel his soil to Fish-Scale Work, &c. # ON A TRIP

SELLING LIGHTNING RODS.

Cor. to THE DEMOCRAT.

MR. EDITUR :- Ise just been out er sellta lightnin' rods, (er wuz er try in ter) and is er gwine ter tell yer ov it. I will relate it exactly lack it waz all through: I waz attired in rags-literally speaking I wuz er walking mass of remnants. I bore a bundle of lightnin' rod sections and the skelleton of a humbreller. A little carpet bag completed my outfit and added to my ludicrous sppearance as an rag-muffin or tramp carpet bagger an' as I wended my way along the lonesome road in earch uv somebody's home or somewhere I could get a drink of water fer I waz so thirsty it made me hongry and so hongry I didn't no where I waz er gwine ter sleep. As I went on I muttered ter myself, for I had clean fergot what money even looked like: "Hang me if I ever venture up here again, people won't paternize er good industery ov eny kind; I'm a walking failure; I'm a Jonab ter myseif; I'm a financial catastrophe, I'm a money panic. I can't get the chance to put up a single lightnin' rod or sell a single wire puzzle to er nigger child. Nobody pater nizes me. I wish wuz back ter Suzan Podgers. I'd marry her in s minute, and thus cheat poverty and femine. Why did I run er way from her? I wuz er fool-a lunk head; but here I is, Nicholus Laster basser Whoppers, (that's my hole name,) and so hongry I kin chew up

his bundle uv iron rods." 'Bout dis time I stop short and ent aginst de fence, and looked wistfally in the direction of a fine mansion which had just come in ter site, and waz er notin' the thin blue smoke that curled upward frum the back o' the house. "Dats de kitchn" sez I, "and I kin mos' smell de victual. Oh! for a whiff ov de pro-

myrelf. I failed ter notice er form dart up side er me, tel be laid er on one er my sides, I turned and says, Ah, landlord, do you want any lightnin' rods put on your house over

"We never has eny storms down nere," replied Flip, de gardener, for nit wuz 'im instead ov de landlord.

"You say von never has any storms here? My colored friend you should As the farmer knocked and cuff. be prepared. Perhaps you would de kitchin," and I added ter my elf, "if I hit de kitchin, you'll think lightnin' struck 'mongst de food." "Look here mister, we have plenty

o' fellers like you comin' 'round here and we keeps a gun loaded fer 'em," "Oh, I'm use ter that," I says, "my body is full er holes, I don't mind it. I'm full er lead and bullets. I'm a

ded, "ef you have any kindness in bread and butter." "Why, are you hungry?"? "Hongry? why man I'm starvin',
