HE Missed his Opportunity! DON'T Miss HE Yours, Reader. The majority neglect their opsurvey that has been commenced in Tours, Reader. The majority neglect their op-portunities, and from that cause live in poverty and die in obscurity! Harrowing despair is the lot of many, as they look back on lost, forever lost, opportunity. Life is pass-ing ! Reach out. Be up and doing. Improveyour opportu-nity, and secure prosperity, prominence, peace. It was said by a philosopher, that "the Goddess of Fortune offers a golden opportunity to each person at some period of life; embrace the chance, and she pours out here riches; fail to do so and she departs, near to return." How shall you find the GOLDEN opportunity! Investigate every chance that appears worthy, and of fair promise; that is what all suc-cessful men do. Here is an opportunity, such as is not often within the reach of laboring people. Improved, it will give, at least, a grand start in life. The GotDEN opportunity for many is here.
