AN EPIDEMIC OF DYSEN PERY -News

that he had not worked more than half the time this season, by feason of the Temperance Hall.

HEALTHFULNESS -The here say this has been the healthiest ear, so far, that there has been in a ong time. Our to "n is usually health". out it has been unusually so this year.

LIGHTNING MEN.-There is a four

ear old child 'n town, who calls a man, moking a crear at night, a lightning man. We see the analogy, and doubtles he child did,

ght an eight year old boy and a ten vear old one going to call on some gils, We were struck with the marvelous progress of the age; because when we were post paid, or the same bound in loth for that age, we were afraid to go.

DIED. -Mr. W. H. Coman, of Rich Square, died last Friday. He was a young man and well known here. His nother and sisters live in Scotland Neck and but a few days ago he hade fair for ling life. He died of dysenter , which epidemic in that community.

We will give a hearty welcome to all.

> ICE FAMINE -Something of a faminn the ice line has been raging for a day or two While it may be no fault of the ice dealers, still it is very inconvenient Its instruction is of the most thorough to those who have become so accustomed kind, and its standard for graduation to that luxury that they almost look

Use LIME .- There can oe no wiser precaution against disease from new until frost than to keep the premises well cleaned and well limed. Every person ought to keep a barrel of lime off the premises and occasionally sprinkle it round the damp places about the var and under the house.

104 YBARS. - Mr. P. E. Smith last week surveyed some land for Judge Clark that had not been surveyed in 104 years. When he finished the durget e came out within 10 feet of the tratitional corner. Pretty good following li le which was made 104 years ago

NEW INDUSTRIES .-- It is true that the floancial situation is somewhat crit ical now but we think that some new esterprises could be commenced for an accomplished North Carolina Artist Scotland Neck. The more enterprises who is just completing a very extended there are the less we will feel the stringency of money matters. During the School, of N. Y., and under the best massummer is a good time to talk it up. Who will start?

CIGARETTE FRIENDS .- We noticed that in the Lizzie Borden trial, the evidence of two young men was distrusted because they were the slaves of the cigarctte habit. That shows the way the wind of popular favor is blowing. W. b I eve the time is coming when the tobacco habit among boys will be looke moon as disgraceful. We have as few that class in town at anywhere in the

CHICKENS KILLED B. LIGHTSING -Ine day jast week while a thunder cloud was passing, tightning struck in Mr. E K Hassell's poultry yard near s house and kidled 8 chickens, Mr. ta-sell's family were all out but cam before the chickens were cold. The gritning struck a post near where the buckens had gone to roost, and some of the chickens were slightly singed.
