NOT A SICK DAY For Over Thirty Years!

RESULT OF USING AYER'S PILLS

"Ayer's Cathartic Pills for ever thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually-as a result of constipation - from dyspepsia, headaches, neuralgia, or boils and other cruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."-H.
