A Remarkable Announcement.

A brief paragraph can hardly do justice to the interesting announcements which The Youth's Companion makes for the coming year. Not only will some of the most delighful story-writers contribute to the paper, but many of the most eminent statesmen, jurists and scientists of the world. No fewer than three cabinet Ministers are announced, among them being the Secretary of Agriculture, who chose for a subject 'Arbor Day," the celebration of which he originated; Secretary Herbert writes on "What the President of the United on "Our Indians."
