HE EDITORS'S LEISURE HOURS

Pinte and Paragraphs of Things Present, Past and Future.

It has been observed, and with conaderable significance, that the women England much more readily settle d wa contentedly as housewives in rural districts than do the women of this country. It is said that the English women not only adapt themseyes to country life, but actually crave it.

There is no more uplifting influence in any country district than the preseage of an intelligent woman who toy a country life and lays herself out, s he phrasegoes, to live happily and ntentedly there and be helpfur to about her.

A writer in The Outlook discussing war in the Philippines says:

"If Americans could really live and make their homes in the Philippines, nd were over crowdel at home, they ight be justified in the war on its ibabitants; but since the climate is ich that they can and will go there my as fortune-hunters, the war is not a stifiable."

Outside of England the war in South frien is regarded as a cruel one; and e believe outside of the United States e war in the Philippines is regarded s equally cruel and unjust. Both the vars ought to have been averted n some way.

A friend and subscriber writing the

Hor of THE COMMONWEALTH a few ays ago intimated that we print and write more about "liquor and debtpaying than anything else." thick our friend is slightly mistaken, for we try to print and write about any and everything which will interest and instruct and uplift our readers; but we do believe from the deepest oul-depths of our nature that the human race is afflicted with no greater curse than the liquor traffic and in emperance, and we as firmly believe that every man ought to pay his honest debts if be can, and if he cannot hen tell the man be owes why he can of and does not pay him.

The Olivia Raney Library, worth rty thousand dollars, was a magnifiant gift to the State. It was formally resented to the city of Raleigh las ok. The exercises were held in the

Dr. A. A. Marshall, pastor of the First Baptist church of Raleigh, made the presentation speech, and R. T. Gray, Esq., accepted the noble gift for he city. It was given to the city by R. B. Raney, Esq., in memory of Mrs. Olivia Cowper Raney, his wife. I was one of the most liberal donations if the kind in the history of the State.

DISPENSARIES.

REDUCES CRIME. It's Besults in Fayetteville.

THE COMMONWEALTH presents below SENATE-A worthy bill, deserving some testimonials for the Dispensary as it has worked in Fayetteville. The Dispensary question is before the people of the State in many places, and our readers are entitled to know about Whereas, owing to the age and in- it. The compilations below were made by Rev. C. W. Blanchard for The Exponent.

The dispensary reduces crime because it reduces the quantity of liquor consumed. It reduces the quantity liquor consumed under the rules governing the management of the dispensary, no liquor is allowed to be sold to drunkards or minors, nor can the liquor bought at the dispensary be drunk upon the

The dispensary closes at sundown, and is not allowed to open till sunrise, the good natured sort. Several stacks nor is it allowed to do business on Sun-

The dispensary reduces crime further there was no necessity for the fire alarm because it has driven from the county all day." some twelve or fifteen whiskey disttilleries, many of them illicit, with their debauching and demoralizing in-
