The Banner Warehouse.

Banner Warehouse on North Side street will open August 8, 1901, and will be under entirely new management. The proprietors of the Banner Warehouse will guarantee you their best efforts to make your tobacco bring its value.

Mr. O. C. Wilkerson who has been connected with the Kinston market for the last five years, and Mr. J. A. Kitchin, whom all the farmers in the county know as a successful farmer and a business man, will run the Banner Warehouse.

These two gentlemen will see that all tobacco entrusted with them will receive their prompt attention. This market opens this year under the most favorable conditions it ever has. With such men as are running the Banner the farmers need not fear their weed will be given away. Mr. Wilkerson, one of the proprietors, has some good orders for all grades of tobacco.

Farmers, remember that whatever is to the interest of this market is to your interest. Bring your tobacco to your home market. You are guaranteed the very best prices for your weed. The people of Scotland Neck have determined to make a successful market here and with such determination and such men in charge as the proprietors of the Banner Warehouse you can bring your tobacco here expecting the highest market prices.

Don't take this word for it but just bring a load to the Banner and see for yourself.

COLUMBUS, GA., Aug. 21, 1872. Dr. C. J. MOFFETT—Dear Doctor: We give your TERTHINA (Feeding Powders) to our little grandchild with the happiest results. The effects were almost magical, and certainly more satisfactory than from anything we ever used.

Yours very truly, JOSEPH S. KEY, Pastor of St. Paul Church. (Now Bishop Southern Methodist Church.)

SPECIAL MEETING.—The exercises of the B. Y. P. U. meeting in the Baptist church last Friday night were something more than ordinary. Mr. Herbert McDowell read a selection on the education of young men, Mr. Albion Dunn read an essay on the evolution of a Wake Forest student, Mr. Stuart Smith read an essay "Public Education in North Carolina." Mr. O. J. Moore sang a tenor solo and Miss Huldah Josey also sang a pretty solo at the close.

DR. SHIELDS, MAYOR.—The town commissioners formally accepted the resignation of Mr. W. T. Clement as mayor last Friday, and elected Dr. J. E. Shields mayor to succeed him. Dr. Shields has accepted and has entered upon the duties of his office. The new mayor is in full sympathy with the spirit of progress in the town and will give our people good service in his responsible office. He has many friends all through the State who will join in congratulating both him and the town on his election.

The Board of Education.

The county board of education was in special session at the court house Monday. Superintendent Brame was with the board and made known some of his plans for the work he will do with the schools. Teachers who hold certificates that will expire during any school term they may be teaching will be required to stand new examination before the certificate is renewed, or they will not receive pay for work beyond the limit of the present certificate.

The board made apportionments to the several school districts of the county, which we shall print next week. Our columns are too crowded for it this week.

Scotland Neck Tobacco Market.

Scotland Neck tobacco market will open Thursday August 8th.

Arrangements have been completed for running both warehouses. Messrs. W. H. White and Peyton Keel will be proprietors of the Star warehouse, and Messrs. J. A. Kitchin and O. C. Wilkerson will be proprietors of the Banner.

All these gentlemen are well known to the people of this community, except Mr. Wilkerson. He comes from Kinston where he has been engaged in the tobacco business for six years and had experience before.

There is considerable enthusiasm over the good prospects of the market here and farmers who have tobacco to sell may rest assured that Scotland Neck market will not be surpassed in good prices by any market in this region.

Miss Hockaday Dead.

Last week's Roanoke News said: "Miss Susan A. Hockaday, who lived in the Deep creek section of the county, died at her home last Friday, aged 72 years. Miss Hockaday was well known to many of the older people of Halifax county. She leaves a large circle of relatives and friends. Her nearest neighbors, who knew her intimately, and speak in loving terms of her as a neighbor and friend, say that from the time her brother was killed in the civil war she was never known to take her bonnet off. Just why she refused to uncover her head after the loss of a brother, no one ever knew. She wore the bonnet day and night and clung to it while asleep, and when she was laid to rest her bonnet was placed on her head, just as she had worn it in life for the past thirty-five years. Peace to her ashes, and rest to her soul."

Resolutions Complimentary to Mr. Clement.

It has been known sometime that Mr. W. T. Clement would soon leave Scotland Neck to make his home in Enfield for the next season. He has been mayor of Scotland Neck since the May election, 1900.

A few days ago the board of town commissioners passed the following resolutions:

Whereas, Mr. W. T. Clement, mayor of Scotland Neck for more than a year, has offered his resignation because his business interests call him elsewhere;

Resolved, That in accepting his resignation we do so with deep regret, and hereby express our appreciation of him as a most excellent citizen, and a faithful, efficient and impartial public officer.

That as mayor of the town his administration has been satisfactory, his relations with us have been pleasant, and we feel sure that his departure will be regretted by all the citizens of the community.

We heartily commend him to the best considerations of the people among whom he may make his home.

By order of the board of commissioners, this July 23, 1901.

The tripping feet—the sparkling eye—the graceful movement—be long not alone to the budding maiden. These graces are the right—aye duty of every woman until the hair whitens—and regal dignity replaces them. The mother who guards her strength has so much more to devote to the care and education of her dear ones. She should be a comfort—a cheer—always. Yet how many feel that they have the strength to properly balance the home? The world is listless, weary and morbid. Its blood moves sluggishly and is full of impurities. It needs a kindling, invigorating tonic to set it afire—it needs Pe-ru-na.

THE ONE MEDICINE

in the world which women may rely upon positively. Pe-ru-na is good for everyone, but particularly for women. The various weaknesses which afflict their delicate organism spring from inflammation or catarrh of the mucous lining, and Pe-ru-na is a specific for catarrh in any organ of the body. Any congestion of a mucous membrane simply means catarrh of the organ affected. This is why Pe-ru-na cures all sorts of troubles where other remedies fail. If there is a catarrhal affection the matter with you anywhere Pe-ru-na will cure you.

Death of Miss Nannie Howard.

Miss Nannie Howard died Wednesday night July 17th, aged 14 years. She had been sick for some weeks with fever and her death was not unexpected.

The remains were interred in the town cemetery Thursday afternoon, Rev. M. L. Keeler conducting the services.
