OUR TOBACCO MARKET.

There seems to have been some uncertainty in certain quarters as to whether or not Scotland Neck tobacco market would be fully equipped with warehousemen and buyers this season.

As was announced in this paper last week, the market will open to-day week, August 8th, with fine prospects in every particular. The warehousemen are already on the *qui vive* in earnest and will see to it that the opening is good and that the market will come up to the best it has ever done, if it does not outstrip all former records.

A good corps of buyers has been assured, and those interested in the market are quite enthusiastic.

The COMMONWEALTH feels sure that the tobacco farmers of this region will find the Scotland Neck market as good as the best this season. The way to prove it is for those who have tobacco ready to put it on the market at the opening sales on the 8th.

WINTERVILLE NEWS.

Correspondence to The Commonwealth.
Winterville, N. C., July 30, 1901.

The A. G. Cox Mfg. Co. are making preparation to build a large annex to their already mammoth factory. The annex will be 168x62 feet two stories high. This will enable the company to more readily handle the goods they manufacture and in every way add to the convenience and comfort of placing and shipping.

The Teachers' Institute is now a thing of the past. All the teachers have returned to their homes and we are very much gratified to learn that each and every one of them expressed themselves as greatly pleased with their stay among us. We can fully attest our pleasure of their presence, for a nicer, more refined, cultivated people never assembled than the teachers of Greene and Pitt, who have been with us for the past month. We can only hope they may do the like again.

B. C. Pierce, of Sanford, spent yesterday here.

The next session of the Winterville High School begins September 2nd, 1901, by which time the new dormitory will be completed. The enrollment during the last session was 152. They expect many more the coming season.

The large dry kiln for the A. G. Cox Mfg. Co. has been completed and is now ready for use.

The prospects for a change in the schedule of the Weldon and Kinston railroad is looked forward to with great expectancy. The present system is a perfect bore.

Chamberlain's Colic, Cholera and Diarrhoea Remedy has a world wide reputation for its cures. It never fails and is pleasant to take. For sale by E. T. Whitehead & Co.

If the character of Aguinaldo is expressed in "The Story of My Capture" contributed to Everybody's Magazine, an injustice has been done by those who described the Filipino leader as an oriental Bombastes Furiosus. Nothing could be simpler or more unpretentious than his narrative. He explains just how the plans laid for an exchange of officers led to the successful accomplishment of Funston's plot. He describes, quaintly but with a graphic sense, the town of Palanan, where he had secluded himself for nine months and the daily life he and his men led there. The events of the capture are set forth so the reader gathers exactly how it all happened. Differing from the critics of Funston, who claim the seizure was a foul subterfuge. Aguinaldo says: "It was a bold plan executed with skill and cleverness in the face of difficulties which to most men would have seemed insurmountable."

Young Women

The entry into womanhood is a critical time for a girl. Little menstrual disorders started at that time soon grow into fatal complications. That female troubles are killing graveyards proves this. Wine of Cardui establishes a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Many women, young and old, owe their lives to Wine of Cardui. There is nothing like it to give women freedom from pain and to fit young women for every duty of life. \$1.00 bottles at druggists.

Miss Della M. Strayer, Tully, Kan. "I have suffered untold pain at menstrual periods for a long time, was nervous, had no appetite, and lost interest in everything. In fact was miserable. I have taken four bottles of Wine of Cardui, with Theford's Black-Draught, when needed, and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me."
