It is better to prevent consumption than to afterwards be looking for a cure. Many cases become incurable simply because so long neglected. When you catch cold, when you begin to cough make haste to use Mexican Syrup. It may save your life, for it has proven a and irritated lungs, tickling in the throat, etc., resulting from a cold accidentally taken. It is only 25 cents a bottle, and is sold a drog stores.

THIS IS RIGHT. There is one good about the Mother's Worm Syrup, and that is, it will never to anyone a bit of harm, should it fail to do him good. It is a good idea to try this remedy if you feel bad and lon't exactly know what ails you. There may be a tape worm a hundred feet long that is causing your loss of health. If so a 25 cents bottle of Mother's Worm Syrup will kill and remove it from your body.

A RELIABLE FAMILY PILL.

A Mexican Root Pill taken when you begin to feel bilious, or when your bowels fail to move as they should, may ward off a long spell of illness. Get a

25 cent box.
PAIN MAKES LIFE A BURDEN. It is wrong to let those you love Art suffer pain or to be in pain yourself, when Gooch's Quick Relief only costs 25 cents a bottle. Best cure for cramps and colic.

A MODERN MIRACLE. Gooch's Sarsaparilla enters into and changes the composition of the blood lacking sufficient red corpuscles to make it pure. Then the pure blood, circulating with healthful activity, permeates every fibre of flesh and restores better strength and better feeling to every part, completely curing sores and pain.
