Boisterous Negroes.

Tuesday about noon a car load of negroes, who had been in the timber woods, stopped here on their way to Parmele, and near Mr. E. V. Kitchin's wood yard they became boisterous. Some of them seemed to have on a considerable amount of "red eye" and they kept cursing until Mr. Kitchin became tired of it and called a halt on them. Some words ensued and Mr. Kitchin let the matter be known up town and if the train that was carrying them had not pulled out there would have been some arrests. Warrants were issued, but the disturbers were off and gone.

Marriage at Littleton.

The Littleton correspondent to the News and Observer of 10th said:

"A very beautiful marriage, interesting to a great many friends of the happy contracting parties in the States of Virginia and North Carolina, was solemnized at Littleton on Wednesday, Nov. 7.

Owing to a recent family bereavement the service was performed at the home of the bride's father in the presence of immediate friends and relatives. The bride was Miss Susie A. House, one of Littleton's fairest and most accomplished daughters, and the groom was Mr. Charles Dowtin, of Norfolk, Va. They were surrounded during the ceremony, which was impressively performed by Rev. J. D. Humble, pastor of Littleton M. E. Church, by Miss Irma Johnson and Miss Sallie House, who acted as bridesmaids, and by Mr. Erwin House and Mr. Henry Dowtin, who officiated in the capacity of groomsmen. The beautiful wedding service was enhanced by the simple elegance of the surroundings and at its conclusion the newly wedded couple left for a bridal tour to the principal cities of the north. A very handsome supper to the bridal party was one of the special features of the evening preceding the happy event.

"The bride is the daughter of Mr. James H. House and has been a universal favorite in this section of the State. The groom is very prominent in the business circles of Tidewater Virginia and is regarded as one of the most prosperous citizens in the vicinity of Norfolk.

"The heartiest congratulations were showered upon them and the best wishes of all our people follow them."

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily; that the best noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 E. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 508 LA SALLE AVE., CHICAGO, ILL.
