Democratic Platform. Following is the platform adopted by the democratic state convention at Greensboro at its session on July 13, 1902:

"We congratulate the people of North Carolina upon the adoption of the suffrage amendment to our state constitution and upon the benefits that have resulted therefrom and we pledge the democratic party to faithfully maintain it by every legitimate means and we demand that the republican party shall declare its purpose either to accept or reject it, and until it is accepted as a finality by all parties we declare it the duty of the white people to stand together for its protection."

"The democratic party, representing the intelligence, the virtue and the manhood of the people of the state, recalls with pleasure the entire absence of scandals during its administration of public affairs and the gratifying advancement that has been made amongst us in all industrial lines. We have fostered agriculture and promoted manufacturing and have given to capital full security and have protected the rights of labor. We pledge the party to a fair and just system of taxation and we demand that all subjects of taxation shall bear the just and equal proportion of the burdens of government."

"We renew our pledges for the extension and improvement of the public school system of the state, so that it may keep pace with the needs and conditions of our people, and point with pride to the great impetus and progress in this great work during the last two years and call attention to the fact that this year, for the first time in the history of the state, every school district has been able to maintain a public free school for four months as required by the constitution. We believe that the permanent prosperity of the people of this state depends largely upon the construction and maintenance of good roads and we pledge the party to the hearty support of all wise measures to that end. We heartily commend and endorse the administration of Governor Charles B. Aycock and other state officials for their faithful execution of the party's promises insofar as the same has been possible thus early in their terms of office."

"We likewise extend our appreciation and endorsement of United States Senator F. M. Simmons and to our democratic representatives in congress and congratulate them and the people of the state for their faithful and official services to the state in councils of the nation."

"We affirm our allegiance to the democratic party and its principles as enunciated in its national platform. We denounce the policy of imperialism as inaugurated by the republican national administration and declare it to be obnoxious to our form of government and fraught with danger to the very existence of the republic. We denounce as oppressive and illegal those combinations of capital known as trusts and monopolies that stifle competition, throttle individual effort and destroy the generous spirit of rivalry that should exist in the commercial world."

"We denounce the deceptive and sordid course of the republican party in congress in furthering the existence of the trusts by its refusal to enact legislation restricting them and to enforce in good faith the existing laws against them, that party being in the full control of all branches of the government."

"We denounce the present iniquitous unjust and trust-creating protective tariff, imposed upon the people by the republican party, and demand its immediate revision, to the end that all unjust burdens shall be removed and especially upon the necessities of life. Its provisions enable the trusts to export from the people unreasonable profits and to sell their products to consumers at home at greater prices than are charged for the same goods to the foreign consumer. We demand, therefore, that all such trust-made goods be placed on the free list. We favor the establishment of the Appalachian Park and urge that our senators and representatives in congress use their best efforts to secure its establishment."

"We again appeal to the people with a confidence that it is only from the democratic party that there can be expected an honest, capable and efficient administration of the government of the state, and point with pride to its past history in the administration of the affairs of state, and challenge a comparison with the iniquities of fusion and republican rule. We promise the people of the state a continuance of that honest, safe, conservative and economical government which has always characterized democratic rule and pledge our best efforts for the advancement of the material prosperity and happiness of the whole people."

"That we favor making all nominations by our party for state and district officers by primaries and the state executive committee is hereby instructed to formulate a system to regulate primary nominations for the United States senate and district nominations and we demand the enactment by the general assembly of appropriate legislation of such primaries; that an oath shall not be required of any voter in such primaries; that the state executive committee is instructed to call at such time as they think wise a primary to nominate a United States senator to succeed Senator Pritchard, but such primary shall not be held on the day of the general election."

A minority report was made as to the clause in reference to the national platform which provided: "Substitute for the words: 'We reaffirm our allegiance to the democratic party and the principles as enunciated in its national platform,' the words, 'We reaffirm our allegiance to the fundamental principles of the democratic party.'"

This was voted down and the original clause was adopted. There was a minority report on the paragraph as to the selection of candidates as follows: "Strike out all that relates to the nomination of a United States senator to succeed Senator Pritchard."

On motion of Hon. Thomas Skinner this was amended so as to strike out in the platform all relative to primaries and then as amended was adopted.

There are two things that should keep a man from worrying: If he have no reason for worrying there is no use worrying, and if he have a reason, there is no use—Los Angeles Herald.

WOMEN AND JEWELS. Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boecher's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at E. T. Whitehead & Co's, Drug Store.

Thousands Have Kidney Trouble and Don't Know It.
How to Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours, a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen; if it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also a convincing proof that the kidneys and bladder are out of order.

What to Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, if you will address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Marriage Would Cure Him.—Mr. Gumps—"That boy will never be good for anything until he marries." Mrs. Gumps—"I suppose not." Mr. Gumps—"No he's got to get over the habit of hanging around the house."—New York Weekly.

A SAD DISAPPOINTMENT. Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of your stomach and bowels. DeWitt's Little Early Biscuits never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure Biliousness, torpid liver and prevent fever.
