Dr. Kilmer's Swamp-Root is not rectreating their grown sons and daughters as though they were still children. They issue commands, criticize and find fault, forgetting apparently that the season for training is practically ended, and were it not, such methods would result in more harm than good.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it. who have not already tried it, may have s sample bottle sent free by mail, also a book daughters, both past twenty-five, and a telling more about Swamp-Root and how to son in his thirties; they seldom, if find out if you have kidney or bladder trouble.
