Salisbury Mine Horror.

Salisbury, Aug. 11.—Information is received here to-night that the Barringer gold mine, located near Gold Hill, Rowan county, N. C., was suddenly flooded by water this afternoon, causing the instant death of eight men employed in the mine.

The dead are:
Will Camp,
Will Sturwalt,
Jos. Magrum,
Bob Deberry,
Sam Price
and three others whose names could not be learned.

Nine men were in the mine shaft when a large pond, located near the entrance to the mine, suddenly broke loose, the breakage being caused by excessive rains, the waters rushing in terrific and deadly force to a depth of about a hundred feet upon the men who were powerless to save themselves.

Mr. Thomas Moyle, Manager of the plant, was the only one to escape death.

The mine is filled with water to-night and none of the dead bodies have yet been recovered.

An unusual downpour of rain is reported in the vicinity of the mine this afternoon, much damage being done to property.

The flooded mine is the property of The Whitney Reduction Co., of Salisbury and Pittsburg, Pa., and has been operated by them for a number of years.

LATER DEVELOPMENTS.

Salisbury, N. C., Aug. 12.—It is learned to-night that the flooding of the Barringer mine, near Gold Hill, Rowan county, N. C., in which eight lives were lost, was caused by a terrific waterspout of immense proportions, such as has not been witnessed in the State for years. The bodies of the victims who met instant death are still buried more than two hundred feet under mud and water, and it is believed that they cannot be taken out for three months or more, as it will require that much time to pump the water out of the mine.

It is estimated that the damage to property will reach many thousands of dollars. No blame is attached to The Whitney Reduction Co., owners of the mine, on account of the disaster.

THE DEATH PENALTY.
A little thing sometimes results in death. Thus a mere scratch, insignificant cut or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It is the best salve on earth and will prevent fatality, when Burns, Sores, Ulcers and Piles threaten. Only 25c at E. T. Whitehead & Co.'s drug store.

The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused many worthless counterfeits to be placed on the market. The genuine bears the name E. C. DeWitt's & Co., Chicago. A CONTINUAL STRAIN.
Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c.; regular size, 75c. At all druggists. E. T. Whitehead & Co.

Fought in a Canoe.

Williamston Enterprise.
Sunday morning about 9 o'clock Cliff Bland, an old fisherman, was shot three times in the mouth by a young negro, Will Smallwood.

Bland went early Sunday morning to catch the fellow whom he suspected was stealing his fish out of his nets in the creek. He went in pursuit of him from the wharf, but could not catch him, so he got out, pointed his gun at the negro—after he saw him fishing with his nets and saw the water dripping from them—and arrested him. He made the negro row up to him and take him to his canoe, which he had left down the river. When they were about to change from one canoe to the other, the negro catching the eye of Bland, ran up to him before he could do anything, and shot him three times in the mouth. They had a scuffle in the canoe and creek, and the negro shot him two more times. Bland crawled on the canoe, for he was almost exhausted. The negro hit him on the head with the paddle and went to hunt a pole to kill him with. When he came back Bland pretended he was calling some friends to his assistance, and the negro ran away from him.

The pistol ball was extracted from Bland's neck Thursday evening.

The negro is in jail suffering from a lark inflicted on his head.

Chased a Bear.

Wilson Times.
Mr. J. C. Finch, of Nash county, who went with Mr. John C. Hadly to Seven Springs a few days ago, relates the chase and capture of a bear which, when dressed, weighed 170 pounds.

Mr. Finch said he never enjoyed an occasion more in his life, for with a party of 400 people, including the guests at the Seven Springs Hotel, they ran the bear for several hours. The ladies also joined in and followed the hounds to bay.

Twenty dogs trailed bruin, who when cornered, raised on his hind legs, backed up against a tree, and when the hunters came up, was slapping the dogs over as fast as they came up.

Five dogs lay stretched before him dead and some of the others were settling on their haunches whining pitifully and nursing the wounds inflicted by his bearish.

Several shot were fired into his body, one lady discharging her pistol into his hide. It was a great day at Seven Springs. We forgot to ask Mr. Finch whether Mr. Hadly was in at the death.

SICK HEADACHE.

"For several years my wife was troubled with what physicians called sick headache of a very severe character. She doctored with several eminent physicians and at a great expense, only to grow worse until she was unable to do any kind of work. About a year ago she began taking Chamberlain's Stomach and Liver Tablets and today weighs more than she ever did before and is real well."—Mrs. Geo. E. Wright of New London, N. Y. For sale by E. T. Whitehead & Co., Scotland Neck, and Leggett's Drug Store, Hobgood.

"How did they discover that it was not a woman, but a man in woman's clothes?" "The lieutenant brought a young baby into the room and the party in female attire did not exclaim, 'Look out for its back.'"—Boston Transcript.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constant failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Seasonable Advice.

Selected.
As soon as the land is fit to work it should be stirred between the rows of fall planted crops to encourage growth and when growth has started it should be encouraged with a dressing of nitrate of soda. Land intended to be cropped should be worked into a deep fine bed as soon as dry enough, but do not attempt to work when wet. All compost and barnyard manure should be spread broadcast on the land and be worked in with the cultivator. If good crops are to be made there must be no stinting of the quantity of manure applied. Twenty tons to the acre may be put on without fear of spoiling vegetable crops. If there is not a sufficiency of barnyard manure supplement it with a high-grade fertilizer made up of 300 pounds of acid phosphate, 200 pounds of cotton-seed meal, 50 pounds of muriate of potash and 100 pounds of nitrate of soda. If no manure is applied double the quantity of the fertilizer. Let this be applied now and all be worked into the land and then lay off the land in long straight rows so that the crops can be readily worked with horse power.

"Towley wears me, said Youngman; "he's forever boasting about his grandfather." "Well," replied the old codger, "that's no more than just. I remember his grandfather used to brag about him a great deal when he was a baby."—Philadelphia Press.

Chicago Business Man Cured
Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago. June 11, 1902.

Cured His Wife
E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him
A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."
