SENT BY DR. HANCOCK.

By inadvertence last week it was not stated who sent to THE COMMONWEALTH the pleasing news item concerning Hon. Claude Kitchin's fine speech before the Hamilton Club at the Apomattox Day banquet in Chicago. Dr. J. E. Hancock favored THE COMMONWEALTH with the item. Being a true Tar Heel and a former townsman with Mr. Kitchin in Scotland Neck, he naturally felt a keen interest in the masterful effort of his friend and was thoughtful enough to give the readers of THE COMMONWEALTH the information. Dr. Hancock felt proud of Mr. Kitchin's strong speech and all North Carolinians at home share with him the feeling which prompted his telegram to THE COMMONWEALTH.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.
Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.
It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.
Dr. Kilmer's Swamp-Root is not recommended for anything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.
When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and one dollar bottles are sold by all good druggists.
Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.

GOOD, big "mealy" potatoes can not be produced without a liberal amount of POTASH in the fertilizer—not less than ten per cent. It must be in the form of Sulphate of POTASH of highest quality.

"Plant Food" and "Truck Farming" are two practical books which tell of the successful growing of potatoes and the other garden truck—sent free to those who write us for them.

PROHIBITION GAINING.

Chatam Record.
The opponents of Prohibition might as well understand that it "has come to stay" in North Carolina. Not only that, but they must also know that there will be no backward step taken. On the contrary, Prohibition is steadily gaining and making most gratifying progress.

Letter to M. Hoffman & Bro.
Scotland Neck, N. C.

Dear Sirs: There are two sorts of furniture. You know both; for you sell 'em both. One sort looks better than it is, and the other is better than it looks. There isn't any other sort. The same, two sorts of paint, no more; and we make 'em both—we make tons of stuff that isn't worth it's freight. Belongs to the business—have to. Belongs to your business—you have to.

But this is aside. We put into cans, with our name on, the very best paint there is in the world: Devco lead-and-zinc. It takes fewer gallons than mixed paints, and it wears twice as long as lead-and-oil.

Mr. C. O. Brown, Columbia, S. C., painted his house with Devco lead-and-zinc. The painter, on seeing the quantity sent to the house, said there wasn't enough. There were ten gallons left, when the job was done.
Yours truly,
65 F. W. DEVCO & Co.
