Rheumatism

Have found a tried and tested cure for Rheumatism! Not a remedy that will strengthen the distorted limbs of chronic cripples, nor turn heavy limbs back to their original state. That is impossible. I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the best ingredient with which Dr. Shoop's Rheumatic Remedy was made. I succeeded in perfecting a prescription. Without that last ingredient, I successfully treated many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this horrid form of rheumatoid disease. These same like granular wastes, found in Rheumatic Blood, seem to disappear and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer with this pain. We sell, and in considerable quantities.

Pleasures of the Penitentiary.

(Cleveland Plain Dealer.)

"I gave such a talk to a client of mine not long ago on the pleasant features of prison life," said a prominent local attorney recently, "that I actually got to thinking for a little while it would be a great lark to spend a few weeks in some good penitentiary.

"You see, the fellow was guilty and I knew it. I didn't see how it would be possible to clear him, and I knew that he would get a lighter sentence by pleading guilty. But I had a job trying to talk him into changing his plea to guilty. He said he didn't think he would ever get reconciled to life in the penitentiary.

"I told him that of course there was a certain amount of prejudice against living in a penitentiary, but that it always struck me that it would not be half so bad if a man went with his mind made up to like it.

"The regular hours ought to be a great thing for a man," I told him, "and if you are at all sick you can fix up some scheme to get out of hard work. Then you are clear out of the prosaic business affairs of the outer world. You go to bed at night knowing just what you will have to do the next day, and no one can get in where you are to molest you. You won't get more than a couple of years, and that will just give you time to learn some good trade."

"When I got through he decided to plead guilty, and I believe he was really looking forward to a year or two in the pen."

Castles in the Air.

Dr. John Wilkins wrote in the reign of Charles II. to show the possibility of making a voyage to the moon. The Dutchess of Newcastle, who was likewise notorious for her vagrant speculations, said to him, "Doctor, where am I to wait at in the upward journey?" "My lady," replied the doctor, "of all the people in the world, I have never expected that question from you, who have built so many castles in the air that you might lie every night at one of your own."

A HUMANE APPEAL.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main St., says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness, and phthisis, stops hemorrhages of the lungs and builds them up. Guaranteed at E. T. Whitehead & Co.'s drug store, 50c. and \$1.00. Trial bottle free.

Be Tolerant.

Do not think of knocking out another person's brains because he differs in opinion from you. It would be as rational to knock yourself on the head because you differ from yourself ten years ago.—Horace Mann.

What Papa Said.

(September Lippincott's.)

Tommy was stubborn, and his teacher was having a hard time explaining a small point in the geography lesson.

"Tommy," teacher began, "you can learn this if you make up your mind. It's not one bit smart to appear dull. I know," she continued coaxingly, "that you are just as bright as any boy in the class. Remember, Tommy, where there's a will there's a way."

"Aw," broke in Tommy, "I know all dat, I do. Me fadder's a lawyer, he is, an' I've heard him say it lots o' times."

"You should not have interrupted me," reprimanded the teacher, "but I am glad that your father has taught you the old adage. Can you repeat it to me?"

"Sure," said Tommy confidently. "Me fadder says dat where der's a will—der's always a bunch o' poor relations."

HEALTH IN THE CANAL ZONE.

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained however by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influence with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by E. T. Whitehead & Co., druggists. 50c.

A Fact.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to druggists everywhere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to its Restorative action upon the controlling nerves of the Stomach etc. A weak stomach causing dyspepsia, a weak Heart with palpitation or intermittent pulse, always means weak Stomach nerves or weak Heart nerves. Strengthen these inside or controlling nerves with Dr. Shoop's Restorative and see how quickly these ailments disappear. Dr. Shoop of Racine, Wis., will mail sample free. Write for them. A test will tell. Your health is certainly worth this simple trial. Sold by A. C. Peterson.

"Do you think they'll ever run autos on two wheels?"

"Sure. That's the way Willie Chuggers always turns a corner."—Cleveland Plain Dealer.

The way to get rid of a cold, whether it be a "bad cold" or just a little one, is to get it out of your system through the bowels. Nearly all Cough Cures, especially those that contain opiates, are constipating. Kennedy's Laxative Cough Syrup contains no opiates and acts gently on the bowels. Pleasant to take. Sold by E. T. Whitehead & Co.

Dry.

(Selected.)

The weary heat comes down in a sheet
And the morn flower drops its head;
And the morning ruck will never come back
From the place where it has sped.
The poultry goes to the cool of the rose,
The cow to the oak tree's shade;
And the garden fare holds on in despair
To the dust that the sun has made.
The vine's dry ridges are dusty bridges
For the sunshine to walk on;
And soon we shall look on the bed of the brook
To find that the brook is gone.
There are thunderheads asleep in their beds
In shape of birds and beast,
But the breeze of the west will never rest
Till it blows them away to the east.
But bravely we must return to the dust
And stir the soil again;
Today may be dry as the moats in the sky—
Tomorrow it may rain.

You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility.

But even this grand old medicine cannot do its best work if the liver is inactive and the bowels constipated. For the best possible results, you should take laxative doses of Ayer's Pills while taking the Sarsaparilla.

If we cannot be funny without setting a bad example to our children, let us even be serious.—Woman's Home Companion.

There are a great many people who have slight attacks of indigestion and dyspepsia nearly all the time. Their food may satisfy the appetite but it fails to nourish the body simply because the stomach is not in fit condition to do the work it is supposed to do. It can't digest what you eat. The stomach should be given help. You ought to take something that will do the work your stomach can't do. Kodol for Indigestion and Dyspepsia, a combination of natural digestants and vegetable acids, digests the food itself and gives strength and health to the stomach. Pleasant to take. Sold by E. T. Whitehead & Co.
