### WHAT THE KIDNEYS DO. Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, droopiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Mrs. Geo. E. Edwards, living on Eighth St., Scotland Neck, N. C., says: "I suffered terribly from backache, accompanied by sharp, shooting pains through my kidneys. These organs were very irregular, and caused me considerable annoyance, by their too frequent action, as I was unable to rest well at night. I used several kidney remedies but received no relief until I began taking Doan's Kidney Pills. They banished the pains and lameness in my limbs, and strengthened my kidneys. That tired, languid feeling has disappeared, and I am able to rest better at night. I have no hesitation in recommending Doan's Kidney Pills.

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—DOAN'S—and take no other.

"Do you know," asked the spinster aunt, severely, "why they call our present condition a state of single blessedness?"

"I know one reason," replied the rebellious niece, defiantly. "Because I'm blessed if I stay in it."—Baltimore American.

#### NEIGHBORHOOD FAVORITE.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us. It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, indigestion, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alternative tonic is sold under guarantee at E. T. Whitehead & Co.'s drug store, 50c.

There are fifty thousand different kinds of Democrats in North Carolina and only one kind of a Republican the latter being an easy guess.—Concord Tribune.

Stop that tickling cough! Dr. Sheep's Cough Cure will surely stop it, and with perfect safety. It is so thoroughly harmless, that Dr. Sheep tells mothers to use nothing else ever so young babies. The wholesome green leaves and tender stem of a lung healing mountainous shrub furnish the curative properties to Dr. Sheep's Cough Cure. It calms the cough, and heals the sensitive bronchial membrane. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Sheep's Take no other. A. C. Peterson.

Everything taken into the stomach should be digested fully in a certain time. When you feel that your stomach is not in good order, that the food you have eaten is not being digested, take a good, natural digestant that will do the work the digestive juices are not doing. The best remedy known today for all stomach troubles is Kodol, which is guaranteed to give prompt relief. It is a natural digestant; it digests what you eat, it is pleasant to take, and is sold here by E. T. Whitehead & Co.

### See Yourself Go By.

(Strickland W. Gillian, in Success Magazine.) Just stand aside and watch yourself go by; Think of yourself as "he," instead of "I."

Note closely, as in other men you note, The bag-kneed trousers and the seedy coat, Pick flaws; find fault; forget the man is you.

And strive to make your estimate ring true. Confront yourself and look you in the eye—Just stand aside and watch yourself go by.

### Having a Good Time.

(Selected.) The following from the Ohio State Journal is worthy of perusal.

How often one hears one say: "I don't want my child to pass through the lot that was mine when I was young. I want him or her to have a good time while they are young—the days of their youth will pass by soon enough." This seems a very generous and kindly program, but it has spoiled thousands of hopeful youth. There is a middle way that steers clear of the rough experiences of one's struggling life, and, likewise, of the extravagant and luxurious career of wealth—a pleasant, kindly, sober way, which teaches that a true life is made up of more of sacrifice and self denial rather than catering to one's appetites and fancies. Pursuing the latter course means disaster to the child, nine times out of ten, and yet we see loving parents indulging their children in this fatal choice, apparently unconcerned about their certain fate.

The idea is this—there is no success in this world unless at some point restraint plays an important part. To give loose reins to a child's career is the surest way of making him a failure—a dismal failure. This world is full of such instances. A child should not be indulged unless there is a corresponding sacrifice. The father who complains that his child must not repeat his early hard experience seems to forget that that hard experience was the foundation of his own fortune; he would not have been a success in business but for the self denial he had to practice when he was a boy. It is a disaster to be raised on a silver spoon, if that silver spoon is never to give way to an iron one, to remind the youth that there is a severer aspect of life than the one he is used to, and which should bring the effect of bringing stern reality into his every day habits.

"I trust this may be read by many sufferers from Kidney and Bladder trouble," writes Mrs. Joe King, of Woodland, Tex. "I suffered four years and could find nothing to give even temporary relief. Our druggist at last induced me to try your 30 days' treatment of Pileules for \$1. This one bottle has cured me and money could not buy the value it has been to me. Guaranteed. Sold by E. T. Whitehead & Co.

"The widow has promised to marry me." "Sure she promised to?" "Of course I am! What do you mean?" "I thought perhaps you couldn't tell a promise from a threat."—Houston Post.

Don't suffer from rheumatism, backache, kidney trouble, when you get 30 days' treatment for \$1.00. A single dose at bedtime proves their merit. Get them today. Sold by E. T. Whitehead & Co.

### HOW TO CURE RHEUMATISM.

It is an Internal Disease And Requires An Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING WITH OILS AND LINIMENTS WILL NOT CURE, although temporary relief at best, causes you to delay the proper treatment, and allows the disease to get a firmer hold on you. Liniments may ease the pain, but they will not more cure Rheumatism than paint will change the fibre of rotten wood.

Science has at last discovered a perfect and complete cure, which is called "RHEUMACIDE." It strikes the root of the disease and removes its causes. This splendid remedy is sold by druggists and dealers generally at 50c. and \$1 a bottle. In tablet form 25c. and 50c. Get a bottle today; delays are dangerous. For sale by E. T. Whitehead & Co.

He that will conquer must fight.—Greek.

At times when you don't feel just right, when you have a bad stomach, take something right away that will assist digestion; not something that will stimulate for a time, but something that will positively do the very work that the stomach performs under ordinary and normal conditions, something that will make the food digest. To do this you must take a natural digestant like Kodol for Dyspepsia. Kodol is a scientific preparation of vegetable acids with natural digestants and contains the same juices found in a healthy stomach. Each dose will digest more than 3,000 grains of food. It is sure to afford prompt relief; it digests what you eat and is pleasant to take. Sold by E. T. Whitehead & Co.

### The Prohibition Wave.

(Raleigh Evening Times.)

In view of the fact that North Carolina is soon to vote on prohibition, the following facts in regard to the "dry" sections of the country will be of much interest to our readers:

Kentucky is famous for its Blue Grass whiskey and has \$100,000,000 invested in distilleries, all but fourteen of its 119 counties are wholly "dry" and of the fourteen only four are wholly "wet." In Tennessee whiskey can be sold legally only in Nashville, Chattanooga, Memphis and one smaller city. Georgia has become a prohibition state. Alabama is "dry." Thirty-four of the forty-seven counties of Florida are "dry," and Governor Broward is leading a campaign for state prohibition. A similar campaign is being waged in Mississippi, where sixty-eight out of seventy-five counties have adopted prohibition, South Carolina has repealed its dispensary law, substituting local option by counties, and a movement for state prohibition has been started. A large part of North Carolina has no saloons, and the state will vote on prohibition May 25.

Virginia has seventy-two "dry" counties out of 118. West Virginia thirty out of thirty-five, Maryland fourteen out of twenty-two. About half the towns of Delaware went "dry" at the recent election. Arkansas has sixty out of seventy-five counties "dry" and many towns in the others. Missouri's local option law has driven the liquor traffic from forty-four counties. In Texas 147 counties are reported absolutely "dry" and only forty-seven totally "wet." Oklahoma and Kansas are prohibition states. Minnesota has 123 "dry" towns, Indiana 680, Wisconsin 650. In Ohio, 1,140 out of 1,276 towns are "dry," and sixty per cent. of the municipalities. Massachusetts has 250 "dry" and 100 "wet" towns. Connecticut has ninety-six "dry" towns out of 176, and every saloon must be conducted by its actual owner.

#### THE JUMPING OFF PLACE.

"Consumption had me in its grasp, and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I went to say right now it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1.00 at E. T. Whitehead & Co., druggists. Trial bottle free.

#### The Need of Self-Control.

(Selected.) Dear friends, the great crisis of life come to us at long intervals, the great trials are infrequent, and calamities occur only now and then. But every single day we have opportunities to use self-control, to keep back the hasty word, to repress the hysterical outburst over a trifle, to restrain our expression of annoyance, of surprise, or of resentment. The habit of self-control must be formed little by little, day in and day out, as the years drift by. If we have acquired this, when the extraordinary demand arrives we shall have the means to meet it.

### Begin the Day With God.

(Selected.)

If you cannot otherwise secure the morning watch with God, rise a little earlier. You may already have to rise with the sun or before it. Nevertheless, set your alarm clock fifteen minutes earlier still, and gain the regular time for your morning devotions. A day begun with earnest prayer will be less hurried, less worried and less wearisome, than one in which you trust to your unaided strength. Our weakness needs to be sustained by the help God sends. "They that trust in the Lord shall be as Mount Zion, which cannot be removed, but abideth forever."
