

### That the Power of Money

in making more money is the secret of getting rich is generally admitted.

The average so-called "savings deposit" is only \$400—yet this \$400 represents 6 per cent. interest on nearly \$7,000 for a full year. As the most of these accounts were started with a deposit of one to ten dollars and gradually increased to their present size, doesn't it seem that you YOU can do fully as well as others? Make up your mind to DO IT—then it's merely a case of application. Your earnings are as large, or larger, than those of the average depositor referred to, only—you haven't been banking your money.

Come in and let us tell you some other reasons why you should have a bank account.

#### Mr. Dunn at Tillery.

#### Road Greatly Improved.

The work of the road force for Scotland Neck, Palmyra and Rose-neath townships is especially noticeable in the road leading from Scotland to Deep Creek going south. A great deal of work has been done at this point and both the people of Scotland Neck and those in the country who travel this road are greatly benefitted.

#### Bishop Cheshire's Visit.

Bishop Joseph Blount Cheshire, accompanied by Mrs. Cheshire, came Sunday afternoon. At night Bishop Cheshire preached a strong sermon in the Episcopal church, after which he confirmed one candidate into the church. Bishop and Mrs. Cheshire remained here some days, the guests of Mr. and Mrs. I. H. Smith. The friends of Bishop Cheshire in this community, and they are many, are always pleased to have him come, and they hear his strong and eloquent sermons gladly.

#### An Alarm of Fire.

Friday night just before 9 o'clock the distress whistle was blown at the Oil Mill which was answered by a similar whistle at the Electric Power house. A shafting caught fire at the oil mill, but the fire was soon extinguished without harm to anything. Immediately upon the blowing of the whistles the people of the town became alarmed and a large congregation attending services in the Baptist church quickly left the building just before the services would have closed, even without the benediction.

#### It is With You.

No subscriber is under mortgage to this paper for what he owes it. Everyone has been treated with uniform courtesy, both in our appeals in our columns and in private statements rendered in person or sent through the mail, and whether we need the money or not it is up to every one who is willing to deal squarely to settle with his subscription dues; but having repeatedly assured our readers of our sore need for the money that is due us, justice require that those who owe us should be courteous enough either to pay us or explain why they do not.

We shall never institute any legal proceedings to collect subscription dues to this paper (the way a merchant would do for accounts of as long standing as some of ours are against subscribers) but we leave the matter to the honor and the conscience of those who owe us. We do not mean to be harsh but we do mean to be positive and emphatic in saying that we feel sure that many persons who could have paid us have not done so.

For more than twenty years we have tried to serve our patrons faithfully, and now under conditions peculiarly taxing to us we beg every man who is in arrears with this paper to make the most prompt settlement he can.

Now, kind reader, if you owe us anything please do not disregard this appeal but make special effort at this week—yes even to-day—to comply with this request.

The editor and the whole force in the office has toiled and sweat many a time to send the paper out promptly for the interest and convenience of its readers and we leave it to your conscience and your sense of right, and trust you will settle with us as promptly as possible.

Kelndy's Laxative Cough Syrup is used nearly everywhere, because it not only heals irritation of the throat and stops the cough, but it drives the cold out of the system through its laxative principle by assuring a free and gentle action of the bowels, and that is the only way to cure a cold. You can't cure it as long as you are constipated. Insist upon Kennedy's Laxative Cough Syrup. Sold by E. T. Whitehead Company.

Applewhite, Secretary of the Young Woman's Christian Association; Miss Elizabeth N. Briggs, Superintendent of the Children's Mission Work.

### The Revival Meeting.

The revival meeting which has been in progress in the Baptist church for the past ten days has increased in interest every day. The congregations have been large all the time and deep interest has been manifested throughout all the meeting. Quite a number has professed faith in Christ and several have united with the church. To-night (Wednesday) will be Mr. Parker's last service, being compelled to return to his work in Portsmouth. He is a preacher of great power and presents gospel truth with a force and attraction which one seldom hears. His sermons are altogether logical, his command of language is remarkable, his illustrative powers are striking and his earnestness in presenting the truth evidence a deep consecration in his work. He is a native of Hertford county, a young man of splendid attainments and the promises for his enlarged work and still greater usefulness as a gospel preacher are pleasing indeed. The people of Scotland Neck of all creeds and denominations have greatly enjoyed his preaching and their sincere benediction will go with him as he pursues his great work as a pastor-evangelist.

### The Round Table Club.

(Reported to The Commonwealth.)  
Yesterday, October 27, occurred the regular bi-weekly meeting of the Round Table Club.

This meeting took place at the hospitable residence of Miss Adelaide E. Smith and was an occasion unusually charming in every way.

Mrs. G. S. White, the president, called the meeting to order, and, upon motion of Miss A. E. Smith, it was decided to meet hereafter at half-past three o'clock instead of four as heretofore.

"Edmund Spencer and His Genius" was the literary theme of the evening and was excellently well treated by Mrs. W. H. Josey, in a condensed, but at the same time comprehensive survey of Spencer's life and his place in the English literature.

After this recital study of the poet, Mrs. A. McDowell, with appreciative expression, read, as an example of Spencer's style the first Eclogue of the "Shepherd's Calendar."

The hostess then conducted the whole party to the dining room, where the polished old manogany furniture and lovely table appointments lent an added flavor to the good things spread upon them.

Luscious grapes, fresh from the vine, jelly-cake, lady-fingers and tinsy-cake were the delicate refreshments which were much enjoyed.

The charming Mrs. Lillington Smith who had been with Miss Smith for the past ten days, by her genial and gracious personality added much to the pleasure and enjoyment of the afternoon.

The following members were present: Mesdames H. I. Clark, A. McDowell, C. Kitchin, A. L. Pur-rington, W. R. Bond, G. S. White, G. Hoffman, W. H. Josey, Misses A. E. Smith, Rebecca Knight and Eleanor Smith.

Mesdames I. H. Smith, Stuart Smith, Lillington Smith, Miss Mary Weldon Smith and Mrs. Waddell were also present as guests of honor.

ing several weeks here, left for home Friday.

Mr. and Mrs. W. T. Shaw, and children, of Weldon, spent Sunday here the guests of Mr. and Mrs. Ira Shaw.

Mr. Dupree Shields, and Mrs. Rebe Shields, of Scotland Neck, and Mrs. A. L. Smith, of Charlotte, are visitors to Mr. and Mrs. J. H. Durham at Cedarhurst farm this week.

Rev. J. E. Holden preached at Bethel church about one mile from here Sunday afternoon, and here Sunday night, leaving Monday for Youngsville, N. C., being accompanied by Mrs. Holden and the children.

Governor R. B. Glenn delighted the people of Halifax at the Court House on October 21st, keeping his audience spell-bound for about two hours. The Governor touched upon all the candidates for office, from the nominee for the Presidency down to the Coroner of the county. He paid glowing tributes to Mr. Bryan and to Mr. Kitchin for Governor of our grand old State. In fact, no one was left out in the cold. He begged that we stand solid for Democracy, for the up-building of the State's interest, for higher and better citizenship, and that form of government which is the most ideal, from the fact of its being founded upon a rock as solid as Gibraltar. North Carolina has been blessed indeed with good Christian Governors who have dared to stand for all things good.

#### Where Bullets Flew.

David Parker, of Fayette, N. Y., a veteran of the Civil War, who lost a foot at Gettysburg, says: "The good Electric Bitters have done me more than five hundred dollars to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters, and they cured me. I now take them as a tonic, and they keep me strong and well." 50c. at E. T. Whitehead Company's drug store.
