MATTERS OF GENERAL INTEREST.

What is Transpiring in North Carolina and Other States.

In answer to the invitations sent out by Governor Kitchin several home town are the best business days ago to the governors of the friends we have. thirteen original States to attend the relebration at Charlotte, May 20th. from coming: fo make home sweet, bring heaven

Governor Eben S. Draper, of Massachusetts; Governor Claude A. Swanson, of Virginia; Governor Austin L. or Hoke Smith, of Georgia.

At a meeting in Raleigh last week of the new board of directors of the State's Prison the following officers were elected:

Superintendent, J. J. Laughinghouse, of Pitt county; salary \$2.500 - annum; prison clerk, T. W. Fenner, of Halifax county; salary per annum \$1 500; prison physician, Dr. I. G. Riddick, of Youngsville; salary

On last Thursday Messrs. Norwood, Doughton and Holderness vismem as pure as pearls of dew, ted the State farm, for the purpose of inspecting it. The farm is located ear Tillery in Halifax county, and contains 7.200 acres. Over one huntred and eighty mules are worked on this farm, and, at present, the number of convicts there are about three hundred. It is said to be the pest conducted and most thoroughly quipped farm in North Carolina. The salaries of the superintendent and clerk, prior to the meeting of the board of directors, was \$3.000 and \$2 000 respectively. The reason given for the reduction was that nereafter the earnings of the penitentiary cannot be as large as they have been during the past two ad roads than ever before, and the number sentenced in the State' prison is growing smaller every year.

> The probabilities are that Washington, N. C. will soon have in operation a system of street railway ars. Supplies, consisting of poles, oiles and other equipment are arriving daily, and actual work, it is un terstood, will begin during the great jubilee week, and the work will be rapidly pushed to completion. It is the purpose of the company in harge of the construction to have the whole system completed and the ears in operation by the first of Aug-
