**MIRACLE NOT TO BE DENIED**  
Rabbi Enjoyed Laugh on Skeptic Who Had Thought to Put Him "in a Hole."  
A story is told of Rabbi Widewitz, who is well known on the East side, who recently arrived skeptic and cynic came to see him once with a "case" intended to put the reverend gentleman "up a tree." He called on the rabbi at his residence on Henry street and begged to be healed and consoled.  
"I suffer," said the skeptic, "from two maladies. I have a great weakness—I cannot tell the truth, and it hurts my soul terribly. And I have lost the sense of taste in my mouth; something is wrong with my tongue."  
Mr. Widewitz studied the man a moment, seemed to be perplexed, and said: "Come again to-morrow. It is a difficult case. I shall have to reflect upon it. If God will, I shall be able to help you."  
When the patient returned next day the rabbi brought forth a pill he had prepared, told the doubly afflicted man to open his mouth and shoved it in. The pill was of considerable size. Scarcely had the patient allowed it to dissolve somewhat in his mouth than he began to spit, with an expression of the greatest disgust and exclaimed: "What do you mean? That's tar and sulphur and kerosene you gave me. Do you want to poison me? Phui!"  
"Well, what are you making so much noise about?" laughed the rabbi, with great heartiness. "Hasn't God performed a miracle? You have told the truth—it is really tar and sulphur and kerosene. And you have actually recovered the sense of taste in your mouth!"—New York Press.

**IT'S YOUR KIDNEYS.**  
Don't Mistake the Cause of Your Troubles.  
Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Residents of this vicinity are constantly testifying to permanent cures.  
John G. Latham, 907 Cotanch St., Greenville, N. C., says: "Doan's Kidney Pills in my case far surpassed any other kidney remedy I had previously tried. For some time my kidneys were disordered, the secretions from these organs being too frequent and painful in passage. When I read of Doan's Kidney Pills, I was so much impressed that I procured a box and began their use. They went directly to the seat of my trouble and gave me relief in a short time. My kidneys were soon restored to their normal condition and I felt better in every way."  
For sale by all dealers. Price 50 cents. Foster-Milburn Company, Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.

**LITTLE MONEY IN OSTRICHES**  
Australian Raisers of Beautifully Feathered Birds Get Small Returns for Their Work.  
The first attempt to raise ostriches in Australia was made by a Mr. Malcom, who in 1880 brought 100 young birds from South Africa to South Australia. In the following year the parliament of South Australia enacted a law which granted to the first person who should exhibit 250 ostriches more than one year old about 2,400 acres of land suitable for ostrich farming. The conditions were satisfied by the South Australian Ostrich Company, which was founded in 1886 with a capital of \$75,000. The company received land near Port Augusta on Spencer bay, but in spite of this assistance the company has never paid a dividend, although it now possesses 1,100 ostriches, all of which were imported from South Africa. There is a still larger ostrich farm on the shore of Lake Albert, and smaller farms are scattered through the colony.  
In New South Wales ostrich farming was first attempted in 1897, by Barracuff, who imported six pairs of ostriches from northern Africa, and now possesses 84 birds.  
Queensland and Victoria possess only small ostrich farms, which have not produced very encouraging results. In all there are now about 2,000 ostriches in Australia. The inferior feathers are used at home and the more valuable ones are exported, chiefly to Germany.—Scientific American.

**Women Suffer Agonies from Diseased Kidneys**  
And Most Women Do This Not Knowing the Real Cause of their Condition

These poor suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs that need and must have attention.  
Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listless mood and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.  
DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.  
As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her. They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid preparations are apt to do.  
E. T. Whitehead & Co., Chicago, Ill. want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once purchase and a trial box of these Pills to be sent free by return mail post paid. Do it today.
