Opening of the Pennsylvania Railroad Station, New York City.

The Atlantic Coast Line makes of-

train will leave New York 1:26 P. M. them. and arrive 4:06 P. M.

It will be seen from the foregoing, that passengers will have considerable advantages, not on y from the convenience of reaching the station, which is centrally located and adjacent to street car lines, extending to all parts of the City, but in a later departure and an earlier arrival in the City.

The travel for the down town section will be provided for by trains from the Manhattan Transfer Station located near Harrison, N. J. and at which all through trains from the South will stop. They will be taken to the passenger station in Jersey City and can reach the lower Manhattan by the Hudson and Manhattan Tubes, or by the ferry to Cortlandt, or Desbrosses Streets, which service will be continued.

Passengers to and from Brooklyn will transfer in Pennsylvania station, to and from Flatbush Avenue, Brooklyn, Via the tubes under the East River, thereby saving much time and annoyance.

Under the new arrangement, effective November 27th, all Pullman cars operated to and from New York over the Atlantic Coast Line will be electric lighted and equipped with electric fans.

The location of the station appeals directly to the hotel guest, the shopper, the amusement seeker, the business man, the professional man and every ciass of travel to and from New York over the Atlantic Coast Line, as the new station is in the very heart of the hotel district, only one block from Broadway, two blocks from Fifth Avenue, and one block from the center of the retail
