Terrible Picture of Suffering.

Clinton, Ky.—Mrs. M. C. McElroy, in a letter from Clinton, writes: "For six years I was a sufferer from female troubles. I could not eat, and could not stand on my feet without suffering great pain. I had lost hope. After using Cardui a week I began to improve. Now I feel better than in six years." Fifty years of success in actual practice, is positive proof, furnished by those who have tried it, that Cardui can always be relied on for relieving female weakness and disease. Try Cardui, today, now!

A Correction.

Dear Mr. Editor: Two little girls in the first grade are in trouble because their names did not appear on the honor roll as published in your paper last week. Their names were there but so contorted, either through the inability of the printer to read my writing or through a typographical error, that they were not recognized. I take this opportunity to say that Irene Hardy and Frances White were on the honor roll for December.

Yours truly, J. B. AIKEN, Supt.

Death Mr. Brown.

Mr. J. E. Brown died at the home of his son Mr. E. L. Brown, in Scotland Neck, Saturday Morning Jan. 21st. Mr. Brown had been in feeble health for several months, but the end came suddenly and was a shock to the family. For a number of years Mr. Brown had lived at Hobgood and only moved here with his wife one week before his death to live with his son. Mr. Brown was a Confederate soldier and a member of the Buck Kitchin Camp.

The remains of Mr. Brown were carried to Ayden Saturday evening and the burying took place Sunday. We extend sympathy to the bereaved family.

THE INSTALLATION SERVICE.

Rev. O. L. Powers, of High Point. Becomes Pastor of the Scotland Neck Baptist Church.

The exercises in the Baptist church here Sunday were of unusual interest. It was installation day for the new pastor, Rev. O. L. Powers, who recently resigned his pastorate in High Point to accept a call of the church here. There were large congregations at both morning and evening services.

At 10 o'clock Rev. M. L. Kesler, general manager of the Baptist Orphanage at Thomasville, spoke before the Sunday school on some of the needs of the Orphanage. He said perhaps the chief need of the Orphanage now is more buildings for the present buildings are too much crowded.

At 11 o'clock Rev. R. A. McFarland, of Suffolk, Va., late pastor of this church, preached a singularly able sermon to a large and appreciative congregation.

The installation exercises proper occurred at night. They were witnessed by a large audience which almost overtaxed the commodious church building. Hon. T. M. Arrington, of Rocky Mount, moderator of the Roanoke Baptist Association, presided over the evening services. There were on the platform besides Mr. Arrington, four of the former pastors of the church—Dr. J. D. Hufham, Rev. M. L. Kesler, Dr. R. T. Vann and Rev. R. A. McFarland.—Prof. C. W. Wilson, of Greenville, Rev. C. G. Bradley, of the Episcopal church of this place and Rev. J. A. Dailey, of the Methodist church here.

Following the program which had been prepared Dr. J. D. Hufham spoke on The Past History of the church; Prof. C. W. Wilson, on the Church and the Young People; Rev. M. L. Kesler, on the Church and Community; Rev. R. A. McFarland, on the Church to its Pastor; Dr. R. T. Vann, on the Pastor to the Church; Rev. C. G. Bradley and Rev. J. A. Dailey, on Christian Fellowship; and Hon. T. M. Arrington welcomed the new pastor to the Roanoke Association. The new pastor responded to the words of welcome which had been extended him and in vigorous style briefly outlined the basis on which he hopes to cooperate with the church in enlarging its work.

All the addresses were able and timely and the long program for the evening was pleasingly carried out. The morning exercises before the Sunday school and also the evening exercises were delightfully punctuated with sweet and beautiful songs by a quartette of little girls from the Orphanage at Thomasville. It was quite an interesting day to the people of the town generally and the evening services in the other churches were dispensed with and the various congregations joined in the exercises which welcomed the new pastor of the Baptist church. Mr. Powers is a young man of rare gifts and splendid ability and enters upon his new pastorate with flattering prospects. His response made a good impression on the great audience and he already has a place in the hearts of all the people.

Paint Lick, Ky.—Mrs. Mary Freeman of this place says: "Before I commenced to take Cardui, I suffered so much from womanly trouble, I was so weak that I was down on my back nearly all the time. Composed of gentle acting, herb ingredients, it has been found to safely relieve headache, backache and similar female troubles. Try it for your troubles.

IS IT TIME?

Is it time your cotton and corn stalks were being cut? We have the stalk cutter to cut them with. Be sure to examine the Deere cutters. You will find many advantages that it has over others, among them the dirt-tight hubs do not allow dirt to get in and cut out the axles. Only one lever to operate, one movement of which lifts the blades and the guides at the same time. Blades are reversible. A car load of them, together with disc harrows, drag tooth harrows, etc., received last week, all of the well known John Deere make. Prices are right, as we can afford to sell at close prices, being, as we are, car load buyers. See us.

STOMACH LIVER LUNGS

Think of the chief organs of the body is a chain in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may be at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

Given Away.—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent free on receipt of stamps to pay expense of mailing card. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
