News from Glenview.

Glenview, N. C., Feb. 27.—The months are almost gone. We had some very cold weather which caused wheat to freeze from a beautiful green to a black.

Cherry and plum blossoms are about. We fear the fruit crop will be small.

Farmers are hauling fertilizers at full blast. On account of the condition of the roads hauls have been delayed, but they are out some now.

There are some people starting the season and there are a good many and other farm implements purchased.

L. J. Vivrette and his mother moved to the former's new two miles from here. Mr. Vivrette will stay at the home there.

E. G. Hales, of Sharpesburg, in our town last week.

J. B. Blalock, our public teacher, was absent last Friday to attend the teachers' meeting in Halifax. We hope much good will be done in the way of extending education.

E. L. Peace lost five nice hogs, but does not know the colored people are picking on the old Horne farm, in county, yet.

Some people are learning to raise meat and bread at home.

LOCAL NEWS.

Items Gathered From the Town and Country.

The County Commissioners meet in regular session at Halifax Monday. Presiding Elder J. E. Underwood conducted services at the Methodist church Sunday night, and preached a very able sermon.

The bid on the M. D. Joyner land being raised 20 per cent the land is re-advertised by Stuart H. Smith, commissioner, in another column of this paper.

Our young people have enjoyed several parties around town the past several days. We are sorry no one has furnished us with a report of these social occasions for we would be glad to publish such things, but cannot do so unless they are given us.

The infant child of Mr. and Mrs. Jas. B. Hall died at their home near town Sunday night after several days illness. The burial took place in the Episcopal cemetery Tuesday morning, the service being conducted by Rev. C. G. Bradley. The bereaved parents have the sympathy of the entire community.

We are pleased to know that our Cotton Oil and Ginning Co. is doing the largest business in the history of its organization. They have every foot of space filled with seed and have fifty car loads bought for delivery. This gives them enough seed to run until the next crop comes in, hardly giving them time to shut down long enough to make necessary repairs before beginning the new crop.

Honor Roll.

The following pupils have made an average of 98 and over on their studies for the past two months at Mullen's School:

Third Grade—William T. Joyner, Sixth Grade—Inez Gray, Hilda Stator and LeRoy Edwards, Seventh Grade—Eliza Gray, FANNIE S. JOYNER, Teacher.

Pie Party at Mullens.

Reported to The Commonwealth.

Friday night Miss Fannie S. Joyner gave a pie party at Mullen's Cross Roads for the benefit of the school there which she teaches. It was the first affair of the kind held in this county, and patrons and friends of the school came in large numbers to witness the manner in which it was conducted and to do their part in helping to make it a success.

The pies, which had been contributed by many of those in attendance, were each numbered, and sold by number to the highest bidder. Each number corresponded to the name of the person who had made the pie, and the purchaser was supposed to eat his pie with the one that made it. This feature of the affair proved quite interesting and exciting. Mr. Ashby W. Dunn, the auctioneer, announced that no bids should exceed one dollar, and that all bids of that amount would be highly appreciated, and any under that amount acceptable.

Another pleasing feature of the occasion was a voting contest for the most popular and beautiful young lady. Miss Liza Gray, the winner in this contest, was presented a handsome six-layer cake. The proceeds from the party and the voting contest amounted in round numbers to Twenty-five dollars.

Many people came from Scotland Neck to attend the party, and they all report the occasion to have been a most pleasant one. Miss Joyner is to be congratulated for the pronounced success of the party, and for the good work she is doing in the interests of her school.

The J. R. Watkins Company.

The Commonwealth is pleased to introduce to its readers this week a new advertiser, The J. R. Watkins Company, of Baltimore, Md., who are about to introduce their system of merchandising to the farmers of Halifax county. We have thoroughly investigated the responsibility of this company and find it to be the largest of its kind in the world. They have a capital of over \$2,000,000 and are now selling their products to over 2,000,000 farmers throughout the United States and Canada. The concern started in 1868 and has been at the business ever since, so there is nothing experimental about their plan. They now have about 2,000 salesmen and are advertising for men to handle their work in Halifax county. It gives us pleasure to recommend this company so heartily. Their success is well deserved.

Shaw-Shaw.

Thelma, N. C., Feb. 22.—A most happy and interesting marriage took place at the home of Mr. M. Shaw, of Thelma, N. C., on the 16 inst., Rev. J. T. Draper officiating. The groom being Mr. Frank Shaw, a most estimable gentleman of Aurelian Springs, and the bride the accomplished and beautiful Mrs. Bettie Shaw, of Scotland Neck. The ceremony charmingly rendered by Mr. Draper, was witnessed by a select company of friends who wish for this worthy couple the greatest happiness that mortal is heir to.

AVOID HARSH DRUGS.

Many Catholics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not grip, purge nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons and aged people as well as for the most hearty person.

They come in two size packages, 12 tablets 19 cents, 36 tablets 25 cents. Remember you can obtain them only at our store,—The Rexall Store. E. T. Whitehead Company.

He will be succeeded by Charlie Dunn, the popular and energetic salesman for Mr. J. W. Charlie Lamb will farm, Charlie Steptoe will sell groceries and dispense soft drinks.

Pierce's Favorite Prescription

the best of all medicines for the cure of diseases, nervous and weakness peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most precious possession—your health—by so doing. See that you get what you ask for.
