Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or stringy, or milky appearance indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects the facility to hold water. It cleans the system, passing it, or had effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine, you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Ringhamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HOW TO CURE RHEUMATISM

It Is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBIUM, with Oils and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firm hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fiber of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacid. Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacid gets at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacid strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c. and \$1 a bottle. In Tablet form at 25c. and 50c. a package. Write to Bobbit Chemical Co., Baltimore, Md. Booklet free. Tablets sent by mail.

Terrible Picture of Suffering.

Clinton, Ky.—Mrs. M. C. McElroy, in a letter from Clinton, writes: "For six years I was a sufferer from female troubles. I could not eat, and could not stand on my feet without suffering great pain. I had lost hope. After using Cardui a week I began to improve. Now I feel better than in six years." Fifty years of success in actual practice, is positive proof, furnished by those who have tried it, that Cardui can always be relied on for relieving female weakness and disease. Try Cardui, today, now!

Heavy impure blood makes a muddy, pimply complexion, headache, nausea, indigestion. Thin blood makes you weak, pale, sickly. Burdock Blood Bitters makes the blood rich, red, pure—restores perfect health.

Has Millions of friends.

How would you like to number your friends by millions as Bucklen's Aroica Salve does? Its astounding cures in the past forty years made them. Its best Salve in the world for sores, ulcers, eczema, burns, boils, scalds, cuts, corns, sore eyes, sprains, swellings, bruises, cold sores. Has no equal for piles. 25c at E. T. Whitehead Co.

Kill a Murderer.

A merciless murderer is Appendicitis with many victims, but Dr. Ling's New Life Pills kill it by prevention. They gently stimulate stomach, liver and bowels, preventing that clogging that invites appendicitis, curing Constipation, Headache, Biliousness, Chills, 25c at E. T. Whitehead Co.

Doing Better.

North Carolina is doing better in the way of making the way of the transgressor hard; as a result we are not having any lynching. A strict and prompt enforcement of the laws creates respect for them and the tendency is to decrease the commission of crimes by individuals and by mobs. Friday, the 10th Philip Mills, a negro murderer, was electrocuted. Wednesday, the 15th, Nathan Montague, who perpetrated one of the most dastardly crimes in the State's history, went to the electric chair. Three more are in waiting. They are James B. Allison, a Duncome county murderer, who is to die next Friday, the 24th; Norman Lewis, the negro who murdered the chief of police of Spring Hill who has been sentenced to death and whose case is now on appeal to the Supreme Court, and J. C. Holly, sentenced from Wilmington a few days ago for the murder of a boy, who is under sentence to die in the electric chair April 9th. Charles Phlyer, the Union county murderer, who was to have been electrocuted last Friday, had his sentence commuted to life imprisonment. Now if they will just hurry up and try and sentence to death Lewis West, the negro who killed an officer at Wilson a few days ago, there will be still further cause for rejoicing over the triumph of the law in North Carolina.—Gastonia Gazette.

Signals of Distress.

Scotland Neck People Should Know How to Read and Head Them.

Sick kidneys give many signals of distress. The secretions are dark, contain sediment, Passages are frequent, scanty, painful. Backache is constant day and night, Headaches and dizzy spells are frequent. The weakened kidneys need quick help. Don't delay! Use a special kidney remedy. Doan's Kidney Pills are for sick kidneys, backache and urinary disorders.

J. H. Wallace, Sixth & Sycamore Sts., Weldon, N. C., says: "I consider Doan's Kidney Pills a very valuable kidney medicine and do not hesitate to give them my endorsement. A kidney weakness caused me much annoyance and when I had the good fortune to hear of Doan's Kidney Pills, I procured a supply. Their use relieved me promptly and I endorse them in return for the improvement they made."

Stick to the Newspaper.

Last week 150 business men of Kansas City held a banquet and the subject of advertising received quite a lot of attention. Among the speakers was J. M. Robinson, a well known business man of Topeka, Kan., who gave them this kind of advice about advertising, and it is so good that it will bear repeating here:

"If you merchants want advertising, go to the plants that have built your city—the newspapers. They advertise you more than the little 6x9 display ad. you place in one corner of them can pay for. They sometimes say nice things about you, and often they don't say things about you which are not nice. The newspapers are the best advertisement a city or a group of business possessors."

The business world is coming to realize the truth of these statements more each day. A city is known by its newspapers because they reflect the business, social and intellectual life of the community. The business men today who are succeeding are the ones who are using the newspapers, not once a month or once a week, but every day in the year. It is the constant lick that makes business and the man who strikes a lick and then waits until the iron cools will never accomplish much in the world of business. You cannot do business unless you reach the people in any way as effectively and as cheaply as in the newspaper.—Raleigh Times.

Errors Will Stalk Around.

The reader who thinks he has done something when he discovers an error in a newspaper has nothing especially to be proud of. It is stated that the proof-sheets of Webster's Dictionary were read and corrected sixty-four times and yet a few errors crept in.—Webster's Weekly.

"What do you think of the new problem play?" "Nothing," replied Miss Cayenne. "It was bad enough to see it, without thinking about it."—Washington Star.

Crawford—Isn't it strange your wife hasn't spoken to you since the night you came home late.

Crabshaw—I don't think so. She said enough to me then to last a month.

Paying Taxes.

Describing the German city of Dusseldorf, an American writer says that the taxes there are so high that citizens of an American city would revolt against paying them. The taxes will average 10 per cent. of the gross incomes of business men and property owners, yet the people of Dusseldorf regard their large municipal debt as a good investment for the common happiness, and pay their high taxes willingly because they understand that "the rich are paying their share of the cost of the improvements that have made Dusseldorf a model city."—Omaha World Herald.

Attacks School Principal.

A severe attack on school principal, Chas. B. Allen, of Sylvania, Ga., is thus told by him. "For more than three years," he writes, "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at E. T. Whitehead Co.
