Death of Mr. Riddick.

After an illness lasting only a few
days, Mr. P. G. Riddick died at his
home of his brother, Mr. J. T.
Riddick, at Spring Hill, Saturday
about 12 o'clock. Mr. Riddick was
about 50 years old and was well
known to many of our readers.
About six years ago Mrs. Riddick
died, leaving her husband with five
boys. Their ages now range from
13 to 24 years, and they were all at
the bedside of their father when the
end came. The three younger chil-
dren will remain under the care and
training of their aunt, Mrs. A. M.
Riddick, of Scotland Neck, while the
two older ones are grown young men
and are engaged in business—one in
South Carolina and the other in
Maryland.
On Thursday before his death Mr.
Riddick expressed a willingness to
die and we trust that his soul is now
at rest.
The interment took place at the
Baptist cemetery Sunday afternoon
attended by a large concourse of
people. The service at the grave
was conducted by Rev. O. L. Pow-
ers, pastor of the Baptist church.
To the bereaved sons and other
relatives we extend deep sympathy.

MRS. MARIA KITCHIN

Died Early Tuesday Morning
at Her Country Home.
One of the State's Most Promi-
nent Ladies Passes Away, Be-
ing Surrounded by Her Entire
Family, After a Brief Illness.
January 9, 1848.—August 15, 1911.
Mrs. Maria Arrington Kitchin died
at her pretty country home near
Scotland Neck, at 4 o'clock, Tues-
day morning, August 15th, 1911.
She was born at Brinkleyville, Hal-
ifax county, January 9th, 1848, mak-
ing her stay on earth 63 years, 7
months and 6 days.
She was a daughter of William
Walton and Annie Maria Alston Ar-
rington, and received in her child-
hood that careful and proper train-
ing which vouchsafed the noble life
she lived and the distinguished and
conspicuous place she filled in her
community.
During the months of July and
August of last year Mrs. Kitchin
was seriously ill and during that
time her life was frequently desper-
ed of. She apparently recovered
from that illness, however, and dur-
ing the past few months her health
had been unusually good.
At 7 o'clock on Monday morning,
August 7th, she was stricken with
paralysis. From the first it was
seen that her illness was quite seri-
ous and there was little hope for
recovery, although there was an oc-
casional slight improvement. Two
trained nurses were in constant at-
tendance during her illness and every
possible care was given her through
skilled physicians, trained nurses
and every member of her own de-
voted family.
On January 6th, 1864, she was
married to the late W. H. Kitchin,
who preceded her to the spirit world
several years, he having died on
February 2nd, 1901. There were
born unto this union twelve children,
ten sons and two daughters, all of
whom survive except one infant son
which died some twenty years ago.
At the hour of death Mrs. Kitchin
was surrounded by her eleven living
children and the wives and husbands
of all who are married, which in-
cludes her entire family, except her
two youngest sons who lived with
her. Besides her immediate family
she leaves an only sister, Mrs. D. M.
Dunn, of this place, and a large
circle of influential relatives and
friends throughout Halifax and other
counties of the State.
From the date of her marriage
Mrs. Kitchin had lived near and in
Scotland Neck and was well known
to the people of this entire region.
During a great revival meeting in
1867 she joined the Baptist church
in Scotland Neck, was baptized by
the late Rev. C. Durham, and con-
tinued her faithful church relations
until the end of life.
Mrs. Kitchin's entire life from
childhood until death was marked
by a strong personality. Added to
the charms of personal beauty and in-
tellectual superiority, were the noble
and appreciative characteristics of
an amiable disposition. Her life was
indeed one long sweet breath of love
and helpfulness to all who came
under her influence. All that the
Divine Mind contemplated as a
suitable helpmeet for a noble and
manly husband was found in her as
a true and faithful wife. Mother-
hood was blessed and glorified
through her in the careful and ten-
der rearing of her children. Social
life and true neighborliness were
beautified and made sweet by the
touch of her life with those who knew
her best. All that goes to make up a
life of noble womanhood was con-
summated in her experience and
touch with the world from birth
until death. She loved her own and
was broadly kind to all the world
beside.
It falls to the lot of few to ob-
serve and enjoy as many immediate
family distinctions as did Mrs. Kitchin.
The noble young man into whose
keeping she gave her life in vows at
the marriage altar in the troublous
days of war, distinguished himself
on many a battle field and won for
himself a name that will live un-

MRS. MARIA KITCHIN

til the story of the bravery of
Southern heroes shall have become
old. Then in the activities of civil
life he won distinction in being the
first Democrat elected to Congress
from the Second Congressional Dis-
trict since the war. He was elected
in 1878 and served in the 46th
Congress, and rendered conspicuous
political service to the State as long
as he lived.
Mrs. Kitchin's later years have
been blessed and made bright by
honors that have come to her dis-
tinguished sons, three of them hav-
ing occupied and are still holding
high positions of trust in State and
national affairs. Hon. W. W. Kitchin,
now the trusted Governor of
North Carolina, served the State for
twelve years as Congressman from
the Fifth District. Hon. Claude
Kitchin is now serving his fifth term
in Congress from the Second Dis-
trict. Hon. A. Paul Kitchin, having
served two terms in the lower house
of the General Assembly is now a
member of the State Senate. Her
other sons are taking high places in
business and agricultural interests.
Her two daughters, Mrs. Archibald
McDowell and Mrs. C. L. McDowell,
hold high places in the community
as queenly wives and charming home
keepers.
Truly the sunset of Mrs. Kitchin's
great and good and noble life was
golden, and it was fit indeed that
the close should be calm and serene,
as she had lived. Such a life is a
benediction to all the world!
The interment will take place in
the Baptist Cemetery this afternoon
(Wednesday) at 5 o'clock but we go
to press too early (at 12 o'clock) to
give an account of the services.

Death of Mr. A. A. White.

Mr. A. A. White died at the home
of his son, Mr. A. B. White, about
five miles from town, Wednesday
night, Aug. 9th, at 12 o'clock, aged
about 73 years. He was stricken with
palsy last November and since
that time he was almost helpless
hardly being able to leave his room.
The burial took place at Deep Creek
church Thursday evening, attended
by a very large crowd of friends and
neighbors. The burial service was
conducted by Rev. H. M. Moore.
Mr. White was a prominent and
influential citizen of this community
and had a large circle of friends
throughout the county. Several
years ago he served as a member of
the Board of County Commissioners
and it is said of him that he had a
good one.
Mr. White was a brave and gallant
Confederate Veteran, having served
throughout the Civil War. He was
a member of the Buck Kitchin Camp
of Confederate Veterans and was
regular upon the attendance of all
meetings of the camp as long as his
health permitted. He was a member
of the Masonic Order and was true
to its obligations.
The deceased leaves four children
as follows: Messrs. A. B. and Carey
W. White, and Mrs. J. E. Lewis and
Miss Mary White, besides a large
circle of relatives and friends that
are left to mourn a kind neighbor
and true friend. We sympathize
with the bereaved ones in their
sorrow.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the
sense of smell and completely derange
the whole system when entering it
through the mucous surfaces. Such
articles should never be used except
on prescriptions from reputable phy-
sicians, as the damage they will do is
ten fold to the good you can possibly
derive from them. Hall's Catarrh
Cure, manufactured by F. J. Cheney
& Co., Toledo, O., contains no mer-
cury, and is taken internally, acting
directly upon the blood and mucous
surfaces of the system. In buying
Hall's Catarrh Cure be sure you get
the genuine. It is taken internally

Thirty Years Together.

Thirty years of association—think
of it. How the merit of a good thing
stands out in that time—or the
worthlessness of a bad one. So there
is no guess work in this evidence of
Thos. Ariss, Concord, Mich., who
writes: "I have used Dr. King's
New Discovery for 30 years, and it's
the best cough and cold cure I ever
used." Once it finds entrance in a
home you can't pry it out. Many
families have used it forty years.

Afraid of Ghosts
Many people are afraid of ghosts. Few people
are afraid of germs. Yet the ghost is a fancy and
the germ is a fact. If the germ could be magnified
so as to equal in its terror it would appear more
terrible than any fire-breathing dragon. Germs
can't be resisted. They are in the air we breathe,
in the water we drink.
The germ can only prosper when the condition
of the system does it free scope to establish it-
self. Greasy, indigestion, a sallow cheek,
a weak eye, when the energetic is poor and the
system is out of gear, it is time to guard against the germ. You can
safely guard against all germs by the use of Dr. Pierce's Golden
Medical Discovery. It increases the vital power, cleanses the
system of impurities, enriches the blood, puts the stom-
ach and bowels in normal condition, so that the system finds no weak or invited spot in which to breed.
Dr. Pierce's "Medical Discovery" contains no alcohol, whiskey or
other stimulating drugs. All its ingredients pointed out on its outside
wrapper. It is not a secret nostrum but a medicine of known
composition and with a record of 40 years of success. Accept no
substitute—there is nothing "just as good." Ask your neighbors.
