Only their loyalty made them hold out to the end of the week's experiment, and they all seemed glad to get back their wonted allowance of water.

"The eight who drank four glassrather crowded his stomach, but did not make him feel uncomfortable otherwise. Of these eight all gained weight-from four ounces to two and one-half pounds-except one, whose weight remained the same. Not one reported headache, constipation or any form of digestive, discomfort. Not one of the times more, in communities where down in a Broadway restaurant defendant owner of the chicken was

The report speaks for itself. Yet we must not jump to the other extreme and think that the more water we drink at meals the better, and we should always avoid washing down unchewed hunks of food with water. The moderation dictated by normal desire and good manners Physician.

#### Maie Sold for One Cent.

First Monday and court week al ways bring large crowds to the county's capital and Monday last was no exception to the rule, there being a number of citizens here from all parts of the county. These are also occasions for the congregating of horsewappers on the boneyard. Quite an amusing incident happened Monday when a horsewapper trotted out a mule that he offered for one cent cash. The offer was promptly accepted by another dealer, who shortly sold that good stock is still in demand and bringing reasonable prices.-Rutherfordton Sun.
