"THE PIANO WITH A SWEET TONE."

Why Does Everybody Think STIEFF When They Think PIANO

It is a piano that has proved satisfactory under the most

rigid and varied tests. It pleases in tone, in design and finish. And it wears well, as thousands of well pleased

purchasers will testify. If you contemplate the purchase of a piano call at our ware rooms and see the largest stock of absolutely high grade

pianos in the city. Write for our special list of slightly used pianes.
