 We direct the attention of our readers to the law card of Mr. Albion Dunn appearing in our professional card column this week. Mr. Dunn says that while he has withdrawn from the firm of Dunn & Dunn this does not mean that he has severed his connections with the good people of Halifax county, but that he will come here from time to time as occasion may demand.

**Uncle Joe Cannon's** half facetious remark that if he was re-elected to Congress, and the Republicans were in control, he might be a candidate for Speaker again, is making a little trouble for Congressman Prince of Illinois. The Galesburg Mill demands that Mr. Prince shall tell the voters in his district whether, in the event of his re-election, he will favor the election of Mr. Cannon as Speaker.—Chicago Evening Post.

**What Ails You?**

Do you feel weak, tired, dependent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid rising in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Kieroc's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal plants. World's Dispensary Medical Association, Prop., Buffalo, N. Y.

"The Private Secretary."

The era of revivals in theatricals which set in a season of two ago has brought again to the attention of theatre-goers of a past generation and introduced to those of the present such sterling works as "Jim the Penman" and "Light O' London" while the Gilbert and Sullivan comic operas, such as "The Mikado" and "Pinafore" have once again been the sensation of Broadway. Among the most notable of the successful plays of a former day is "The Private Secretary" which long ago won for itself a prominent place in the foremost rank of successful high class comedies. Its success in New York last year was little short of phenomenal and is responsible for the formation of a company which is touring the country in an adequate representation of the great laugh maker. It will be seen here at the opera house on Friday Oct. 13th with a carefully selected company and a complete scenic equipment.

Hives, eczema, itch or salt rheum sets you crazy. Can't bear the touch of your clothing. Doan's Ointment cures the most obstinate cases. Why suffer. All druggists sell it.

**Once in Fifteen Years.**

Thirty-five years—think of it, thirty-five years ago, when L. & M. Paint was first made known. It then needed time to prove its durable quality. It has done it now, and its large use is the proof. Costs about \$1.60 per gallon, because you make nearly one-half more, by adding 3/4 of a gallon of Linseed Oil to each gallon of paint, and you won't need to repaint for about 15 years. Our sales agents are Hardy Hardware Company. Write postal for "Money Saver List No. 60," Longman & Martinez, P. O. Box 1379, New York.

The Commonwealth joins the many friends of the contracting parties in congratulations and best wishes.
