THE IROQUOIS GERMAN CLUB.

Hold Annual Meeting and Elect New Officers.—In Good Condition.

The Iroquois German Club met at the Planters & Commercial Bank on Thursday evening, January 25th, for their annual meeting. The secretary's report showed that during the year just ended the club had enjoyed a membership of twenty-six, and the treasurer's report was very encouraging in that all through the year the dues and assessments had been well taken care of and there was still a good balance in the treasury to begin the new year with.

The affairs of the old year having been disposed of the president declared that the election of officers for the new year was in order, and the following members were chosen unanimously for the respective positions: W. H. McDowell, President; Ashby W. Dunn, Vice-President; L. L. Cherry, Secretary and Treasurer; W. H. Kitchin, Ball Manager. In addition to these Messrs. Sam Hoffman and Henry Clark were elected to serve with the officers on the directorate, which, under the constitution of the club governs in all matters except those relating to membership.

This begins the fourth year of the club since its organization, and during the three years past the club has given seventeen dances, and has enjoyed the hospitality of the most charming dance of them all, the one given during the recent holidays by the ladies. All of the dances have been pronounced successes, and considering all the club has been the means of added pleasure to the social life of the town.

Mr. and Mrs. Alexander Entertain.

On Thursday evening, January 25th, at the home of Mr. and Mrs. J. H. Alexander, on Tenth street, the young ladies entertained the young men at a leap year party from 8:30 to 11:30. It was one of the most pleasant and enjoyable occasions of the leap year. The young ladies chose their partners and made engagements with them. However they varied from the leap year scheme and waited at home for their escorts instead of going for them.

During the evening every one took part in "A Shakespearean Romance," a guessing contest. The answers to all the questions were the names of plays written by Shakespeare, making the thread of a romance when read in their consecutive order. Miss Lamb and her partner, Mr. Bryan, were the winners of the prize, a nice box of candy, for having answered the most questions correctly.

Ice cream, cake and candy were served by the young ladies and many merry leap year jests were exchanged by the couples. Melodious strains from the piano played by Mr. John Josey were highly appreciated. All the latest hits of the season, including "Alexander," were played, sung and heard.

Those present were: Miss Sadie Kitchin with Marvin Hardy; Miss Lucie Kitchin with Troy Anderson; Miss Gertrude Kitchin with Wilmer Hopkins; Miss Jennie Dunn with John Josey; Miss Nannie Lamb with Biggs Bryan; Miss Hildah Hancock with Douglas Anderson; Miss Hattie Leggett with Josey Darden; Miss Lucie Leggett with William Dunn; Miss Bessie Dunn with Brubbie Kitchin; Miss Ruby Darden with Surry Dunn; Miss Missoura Purvis with Eddie Woolard; Miss Dorothy Dunn with Frank Moore; Miss Katherine Vermont with Joseph House.
