### LOCAL NEWS.

#### Items Gathered From the Town and Country.

Easter. Will we have any fruit this year? Farmers are busy on the farm now. How about a clean-up day for Scotland Neck?

Have you joined the building and loan association? The peach, plum and pear trees are in full bloom.

To-morrow (Friday) is known in the church calendar as Good Friday.

The school children will have holiday Monday on account of it being Easter Monday.

The Burroughs-Pittman-Wheeler Company has been incorporated by the Secretary of State.

Mr. S. T. Womack is now operating a grist mill. See advertisement in another column.

There is an old saying that a March freshet means a fall freshet, but we all hope this will not be true this year.

The fifty-second great North Carolina State Fair will be held at Raleigh, N. C., from October 14th to 19th, 1912.

Rev. Robert King, of Richmond, Va., will preach in the Methodist church Sunday afternoon at 3:30 o'clock. The public is cordially invited.

And still we hear reports of great damage done on Roanoke river by the recent freshet. Mr. Frank P. Shields lost over sixty bales of cotton in the fields, while other farmers lost lots of peanuts and feed stuff. The real damage done along the river low grounds will never really be known.

#### Gives a Good Show.

The Roanoke Dramatic Club, of Roanoke Rapids, made their return visit to Scotland Neck Tuesday and Wednesday nights. At Madry's opera house Tuesday night they presented "The Convicts Daughter" to a fairly good size audience and those taking part acted equal to professionals. They all did so well we refrain from making special mention. To-night (Wednesday) the company presents "A Woman's Honor." They deserve a good house and if you want to see a good play, full of comedy, don't fail to be present.

They all report a large crowd present and a most pleasant and enjoyable occasion.

#### The Largest Hog.

People can talk about big hogs, but Mr. R. H. Weeks, of near Whitakers, has broken the record for many years past. He has recently killed one hog two years and one month old weighing 640 pounds. He has killed about 9,000 pounds this winter.

#### Death of a Worthy Colored Man.

Old Uncle Mack Anthony died at his home near town Friday and was buried at Mary's Chapel Sunday. "Uncle Mack," as the white folks called him, was one of the rare men of his race to-day. He was always cheerful and happy and was a friend to "his white folks." We shall all miss him especially in our flower gardens, for there it was he knew so well how to work.

#### Tax Listers Appointed.

The board of county commissioners in session at Halifax Monday appointed tax listers for the various townships of the county as follows: Brinkleyville—J. E. Ayers, Jr. Butterwood—Conoconara—J. H. #### Devco Takes Least Gallons: Always

Paint Devco; it's the cheapest paint in the world; never mind the price; it may or may not be more. Less gallons will paint the house; and the paint will outwear anything.

Skip wear; you've got to wait, to find that out. It covers more; you haven't got to wait to find that out. It's the cheapest of all; no matter about the price.

N. R. Watkins, Lott, Texas, used 13 gallons on his house before; bought 13 gallons Devco for same house and had 6 gallons left.

C. B. Edwards, of Edwards & Broughton, printers, Raleigh, N. C., used 30 gallons Devco on his house; bought 30 gallons Devco for same house and had 16 left.

That's how. Sold by E. T. Whitehead Co.

### SHOT TO DEATH.

#### Tom Hawkins Kills Henry Cotten—Both Colored.

On Sunday night about 12 o'clock Tom Hawkins shot Henry Cotten in the left side with a pistol in the yard of one Pearly Morgan. Cotten died Monday. Hawkins was arrested Monday morning, and Tuesday afternoon, before Justices J. E. Shields, A. C. Livermon and C. L. McDowell, an investigation of the case was commenced, but very little progress was made when the court took a recess until Wednesday morning, and at the hour of going to press (12 o'clock Wednesday) the hearing had not been completed.

Mr. A. Paul Kitchin is appearing for Hawkins and Messrs. Ashby Dunn and Stuart Smith are representing the State.

The defendant admits the shooting, but claims self-defense, while the State is contending for murder in the first degree.

From what we have heard of the evidence and the reports on the outside, it is truly a case of a bad woman and whiskey. One man is in his grave and the other one in the hands of the law.

#### A "Silver Tea."

At the home of Mrs. Mary E. Gray on Tuesday evening, March 26th, the ladies of the Baptist church gave a "silver tea." Misses Lena Cherry and Gertrude Whitehead received at the door and Misses Irene Whitehead and Katherine Hancock presided at the punch bowl. Several selections were rendered by Misses Emily Biggs, Kate Futrell and Mr. O. J. Moore, Miss Elizabeth Futrell presiding at the piano.

A salad course was served in the dining room, and as the guests left the dining hall little Miss Elsie Woolard and Joe Wimberley presented each with a bouquet of violets.

#### The Merchants Association.

The Scotland Neck merchants association held their regular monthly session in their hall Monday night. There was a pretty full attendance of members and the association seems to have taken on new life and interest.

All the merchants except the exclusive grocery merchants and the drug store, had agreed to close their stores at seven o'clock from April 1st to September 15th. This has been their custom for years and we are glad they are going to continue to do so. After working these long summer days the clerks and employees are entitled to these early closing hours. We believe every grocery store ought to close early, certainly by eight o'clock.

#### HOW WEAK WOMEN

May Be Made Strong at Small Expense and No Risk. There are hundreds of women in this vicinity, weak, thin, run-down, tired out and nervous. Such women need Vinol just as much as did Mrs. Jane Pepper, of 2207 Howard street, San Francisco, Cal., who says: "I have used Vinol for some time with particularly gratifying results. I was run down, weak and debilitated, and my appetite was gone. After taking several bottles of Vinol I found my condition greatly improved, and do not hesitate to recommend Vinol to anyone similarly affected."

Vinol is not a secret nostrum, but a delicious cod liver and iron tonic without oil, which will create an appetite, tone up the digestive organs, make pure blood and create strength. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. For sale by E. T. Whitehead Co.
