**Items Gathered From the Town and Country.**

This is our commencement week. We must have another clean-up day.

County commissioners meet Monday.

We hear very little about the new depot that was promised us last fall. The merchants association ought to take up the matter again.

A protracted meeting will begin in the Methodist church on next Sunday. The pastor will be assisted by Rev. J. A. Hornaday, of Weldon.

We had quite a wind storm Saturday afternoon. Right much damage was done to telephone and electric light wires and many trees were torn up by the roots.

The commencement of Littleton Female College is on this week. The program is a very interesting one. Annual sermon by Rev. R. E. Craven, of Durham, and literary address by Prof. R. D. W. Connor, of Raleigh.

The shareholders of the Home Building and Loan Association of Scotland Neck held a meeting Thursday evening of last week and elected a board of directors as follows: A. McDowell, G. Hoffman, O. J. Moore, N. B. Jesse, F. P. Shields, Stuart Smith, Claude Kitchin. This board will elect a president and an attorney.

**REVENUE SERVICES.**

Rev. J. A. Hornaday, of Weldon, to Do The Preaching.

On Sunday morning the pastor, Rev. N. C. Yearby, will begin a special series of meetings at the Methodist church. After Sunday Rev. J. A. Hornaday, of Weldon, will do the preaching.

Arrangements have been made to have Mr. Frank Fitzgerald, a noted singer, lead the singing during the meeting.

The public is cordially invited to attend all meetings and take part in the services.

**Another Freshet in Roanoke River.**

Roanoke Rapids, May 22.—On account of the recent heavy rains in this section, Roanoke river has been very high for the past week or more. The Patterson Mill had to shut down for want of sufficient power to run, a few days. The mill is running now, but a few rooms in the day and the others at night, in order to furnish work for the operatives.

We hope that it will run on full time very soon. However, this freshet did not reach as high a point as did the one in March.

**THE WISE PAINTER.**

He won't buy ready for use from the can paint because it's nearly half oil—and therefore if he paid \$2.10 for a gallon of such paint, he must pay \$1.00 for a half gallon of oil, when the price of oil is only \$1.00 for one gallon. But he buys L. & M. Paint because it's thick, and because he adds the pure Linseed Oil to it—in this way making his paint for \$1.57 per gallon, and getting pure Lead, Zinc and Linseed Oil Paint. That's why we sell it.

Call on Hardy Hardware Company, Scotland Neck, N. C.

**DEVOE.**

E. T. Whitehead Co. sells it.

**Bright Definition.**

A teacher asked a boy the difference between an island and a peninsula. The boy replied: "Take a piece of water and a glass of milk. Pour the water and put it in the water; it'll be an island, because it is entirely surrounded by water. Put it in the milk and it'll be a peninsula, because it is nearly surrounded by water."

**THE COUNTY DEMOCRATS.**

Delegates Elected to The State Convention. Resolutions Passed.

The Democratic County convention was held at Halifax Saturday. Chairman E. L. Travis called the meeting to order and asked "Judge" W. T. This organization was made permanent and the convention was declared ready for business.

Mr. R. C. Dunn made a motion that one delegate and one alternate from each township, and three delegates and three alternates at large be elected to the State convention. The motion was carried, then Mr. Dunn offered the following names, the first in each township being the delegate and the second name being the alternate. The list by townships is as follows:

Brinkleyville—F. M. Taylor, J. H. Norman.

Butterwood—J. R. Liles, R. W. Brewer.

Dr. H. I. Clark introduced the following resolution which was unanimously adopted:

Resolved by the democrats of Halifax County in convention assembled:

1. That this Convention hereby heartily endorse Hon. Walter E. Daniel for Lieutenant Governor, and Hon. E. L. Travis for Corporation Commissioner for the short term, and instructs all its delegates to the State Convention to use every honorable effort to secure their nomination.

2. That Halifax County, in asking for these two positions, one of them being merely honorary, reminds the State that she has not had a representative on the State ticket in fifty years, although throughout that period she has been one of the bulwarks of Democratic strength, and one of the party's mainstays in every crisis that has arisen. She now presents her two sons that whom no two men in the State are more eminently fitted for the positions they seek.

No delegates were elected to the congressional convention which meets in Rocky Mount on Tuesday, June 4th, but a motion was adopted to make any good Democrat in the county a delegate to that convention. Our present congressman and county man, Hon. Claude Kitchin, was enthusiastically endorsed for the nomination.

All State candidates having no opposition were endorsed and the delegates instructed to vote for them.

The convention was well attended and was very harmonious except for the vote on Corporation Commissioner between Hon. E. L. Travis and Mr. S. G. Daniel for the short term. After a discussion of the matter the convention decided to allow Mr. Daniel his part of the vote as certified from the townships. Only Roanoke Rapids handed in a certified vote and Mr. Daniel was given his strength as voted by the people of that township.

The convention then adjourned.

**COUNTY EXECUTIVE COMMITTEE.**

The county executive committee was called together immediately after the convention adjourned. Mr. E. L. Travis was re-elected chairman and Mr. W. T. Clement vice-chairman.

Mr. Travis has served the county in this capacity since 1896, and has always done his work well.

The members of the committee by townships are as follows:

Brinkleyville—W. G. Vinson.

Butterwood—S. J. Clark.

Conoconara—J. H. Darden.

Enfield—W. T. Clement.

Faucetts—W. H. Hux.

Halifax—H. B. Ferguson.

Littleton—Whit A. Johnston.

Palmyra—R. H. White.

Roseneath—W. C. Allsbrook.

Roanoke Rapids—A. L. Clark.

Scotland Neck—J. E. Shields.

Weldon—A. H. Green.

**Farmers Union Notice.**

**AN INTERESTING MEETING.**

Sunday School and Epworth League Institute.

There was held in the Scotland Neck Methodist church, beginning Thursday night and ending Friday night of last week, a Sunday School and Epworth League Institute. This Institute was conducted by Rev. R. F. Bumpass, presiding elder of the district, and Mr. M. W. Brabham, field secretary of the North Carolina Conference.

A very interesting and instructive program was carried out. The talks on the various points of Sunday school work by Mr. Bumpass, Mr. Brabham, Rev. J. W. Frank, Rev. F. F. Eure and Rev. Rufus Bradley, as well as the round table discussion by Mr. Brabham, were especially good.

On Friday night the exercises were devoted to the Epworth League work. Rev. B. C. Thompson, of Warrenton, secretary of the district, was present and delivered a very able address on the work this branch of the church is doing. Mr. Thompson is a good speaker and the congregation gave him close and marked attention. Mr. Bumpass also made a few remarks on the League work.

We note the following visitors present from out of town: Rev. R. F. Bumpass, presiding elder; M. W. Brabham, field secretary; Rev. Rufus Bradley and Mr. Daniel, of Williamston; Rev. J. W. Frank and Mr. Archabel, of Battleboro; Rev. B. C. Thompson, of Warrenton; M. E. Cousins, of Ringwood; Rev. F. F. Eure, of Holgood; Francis Whitaker, Jos. Gay, W. C. Ferrell, Misses Elsie Vick, Mary Vick, Ruth Nevill, of Ringwood; Mrs. I. G. Shaw, of Halifax; Miss Sallie Baker, of Palmyra; Miss Minnie Whitaker, of Whitakers; Miss Lonette Harrison and Miss Anderson, of Williamston; Miss Sue Hyman, of Holgood.

You can make old furniture harmonize with new surroundings by applying one coat of Campbell's Varnish Stain. These stains are transparent and impart a fine color and finish without obscuring the grain of the wood. Any inexperienced person can use them. Apply to Josey Hardware Co. for color card.

# An Object Lesson!

While plowing in a field some distance from his home, Will Watson, a young white farmer, who lives near Kinston, perceived that his home was on fire, and by the time he could arrive the entire building was enveloped in flames. Watson lost everything he had, including MONEY which was in the HOUSE, leaving himself and wife and several small children, one of whom was only a few months old, homeless and penniless. [Taken from Raleigh News and Observer, dated March 26, 1912.]

This happened at Kinston, N. C., and fully demonstrates what we have always advised our friends to do: Let us keep your money for you, that in a time like this you can turn to us for your balance to your credit, and assistance also if you should need it.
