

Be Happy!

Happy the girl, or woman, who has never suffered from any of the diseases of womanhood! Or, if she has been a sufferer, happy is she if she has learned of the wonderful benefits of Cardui, the woman's tonic!

Cardui is a gentle, tonic remedy, for women's ailments. It is a natural medicine—safe, harmless, purely vegetable. It has been in successful use for more than 50 years. It has cured thousands. It should do the same for you.

TAKE THE CARDUI Woman's Tonic

Mrs. Mary Neely, of Denver, Tenn., says, "I think there is no tonic on earth, as good as Cardui. I used it with the very best results. I had backache and nearly everything a woman could suffer with, until I took Cardui. Now, I feel better than I have for two years. I shall always recommend Cardui to other suffering women. I can't praise it too highly. As a medicine for weak, tired, worn-out women, Cardui is safe and reliable. Try it, today."

HOW EGGS SHOULD BE PACKED

Covered With Solution of Water Glass, They Will Keep in Good Condition for Months.

A clean stone jar holding six to ten gallons is the best vessel for packing down eggs for family use, but a tight wooden tub or other vessel will answer very well. The eggs must be clean and fresh. Dirty shells and cracked or spoiled eggs will injure and possibly spoil the entire lot.

Place the eggs in the jar as they are gathered and cover with a solution of water glass (silicate of soda) one part to ten or fifteen parts of water. Cover the jar to prevent evaporation. Water glass is an amber-colored liquid which can be procured of druggists or dealers in poultry supplies. It costs about 25 cents per quart, or less by the gallon.

Pure water should be used, rain water if you can get it. The jar should be placed in a cool cellar or room where it will not freeze in winter. According to Farm and Home, eggs preserved in this way will keep in good condition eight or nine months.

Europe's Vast Armed Force.
It would take nine and a half days for the armies of Europe to pass a given point, marching five abreast, 15 inches apart, at an eight-mile gait.

It is now well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all dealers.

A POPULAR VERDICT.

Based on Evidence of Scotland Neck People.

Grateful thousands tell it—How weak backs were made strong! Weak kidneys made well—Urinary disorders corrected. Scotland Neck people add their testimony.

They gladly praise Doan's Kidney Pills. For quick relief and lasting cures, Scotland Neck evidence is now complete.

Scotland Neck testimony is confirmed. Reports of early relief substantiated.

Cures doubly proved by test of time.

Let a Scotland Neck citizen speak. Miss Lucy Hancock, Main St., Scotland Neck, N. C., says: "I willingly verify my former endorsement of Doan's Kidney Pills given in January 1908. This remedy benefited me greatly when I was suffering from kidney complaint. Since then I have used Doan's Kidney Pills occasionally and they have always brought the best of results."

NICE FILLING FOR SANDWICH

Sweet, Meat and Fancy Are the Grades—Just How They Should Be Prepared.

Sandwich fillings may be roughly classified as sweet, meat and fancy. Here are a few nice fillings of each grade.

Spread slices of brown bread with grapefruit marmalade, through which is chopped candied ginger. Another good sweet mixture is pineapple preserves mixed with candied cherries. Equally delicious is bar-le-due and cream cheese, or grated maple sugar and chopped black walnuts.

Never use slices of meat in a dainty sandwich. Put the meat through a fine chopper until it is almost a paste. Cold chicken, lamb, duck and game make a delicious and simple filling by seasoning highly with salt, pepper and a pinch of cayenne, then moistening with rich cream—or whipped cream—until the mixture spreads easily. Minced ham or tongue is better when moistened with mayonnaise. Cold fish mixtures can be treated in the same way, but are improved by chopping olives through the dressing.

A good fancy filling is made from cream cheese mixed to a paste, with French dressing, and seasoned with chopped green peppers and slices of olives. Another good mixture is made from the outer leaves of head lettuce—the hearts can be used for salad—cut up fine, mixed with mayonnaise, and sprinkled thickly with crisp bacon cut in small pieces.

Red pepper sandwiches are artistic and appetizing. Use the canned sweet red peppers, chop fine and mix to a smooth paste with mayonnaise.

Banana Skin Law in Brazil.
During a Southwark inquest, in which it was suggested that an old man had slipped on a banana skin, a juror said he had been in Brazil, and there if a policeman saw a person throw a banana or orange skin on the roadway that person was at once arrested and fined or sent to prison.—London Daily Graphic.

Best Form of Prayer.
When the hearts of men and women are filled with heavenly love, a power which makes for righteousness constantly emanates from them. Those who pray with their lives offer the most effective prayer, even though they do not utter a word.—Chauncey Giles.

Each one of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken to strengthen the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all dealers.

Stained Boards.
Boards that are stained are apt to become lighter after a little wear; but if rubbed with paraffin oil they will again become darker. They may now be rubbed with beeswax and turpentine, when they will look as well as ever.

Feel languid, weak, run-down? Headache? Stomach "off"?—Just a plain case of lazy liver. Burdock Blood Bitters tones liver and stomach, promotes digestion, purifies the blood.

Beauty Hint.
Red elbows, says the Evening News, are happily a thorn which may be removed. Saw off the red elbows, soak them in a bleaching mixture of unsaturated lime, steep them in carbolic acid, and they will never trouble you again. Cold feet may be treated similarly.

Soother itching skin. Heals cuts or burns without a scar. Cures piles, eczema, salt rheum, any itching. Doan's Ointment. Your druggist sells it.

Live Australian Freaks.
A calf, somewhat of a freak of nature, was born on T. G. Ware's farm at Little Akaroa, Australia, recently. It has five legs, the extra one working in a socket in the breastbone. The calf is thriving, and is strong and healthy. Another freak, a lamb, is reported to have been born at Plat Point Station. It has three ears and eight legs. It did not live.

There is no real need of any one being troubled with constipation. Chamberlain's Tablets will cause an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by all dealers.

Cure for Dime Novel Reading.
It was asked recently what could be done to stop boys from reading dime novels, and the reply of one observer was: "Teach dime novels in the same way that you do English in the high schools and that will soon stop it." I know one or two young folks who will never read Scott, because Ivanhoe was taken up as a school subject.

Ends Hunt for Rich Girl.
Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are women's favorite remedy. If weak or ailing try them. 50 cents at E. T. Whitehead Company's.
