Case of Many Sudden Deaths.

A disease prevailing in this country, because so deceptive in its nature, many sudden deaths are caused by it—heart disease, pneumonia, heart failure or epilepsy are often the result of kidney disease. If kidney trouble is allowed to advance, the kidney-poisoned blood will attack the various organs, causing catarrh of the bladder or glandular trouble in the neck, ache, pains, rheumatism, etc. The kidneys themselves break waste away cell by cell.

It is almost always the result of the kidneys and it is almost always the result of the kidneys and it is almost always the result of the kidneys.

DEMOCRATS HAVE BIG CONGRESS MAJORITY

Next House Will Consist of 297 Democrats, 122 Republicans and 16 Progressives

ELIMINATION OF CANNON

Republican Leaders McKinley, Roddenberg, Crumpacker, and Hill Also Defeated with "Uncle Joe."

Washington.—The practically complete returns of the general Congressional elections show that the political classification of the next House of Representatives will be: Democrats, 297; Republicans, 122; Progressives, 16.

This gives the Democrats a majority of 159 over Republicans and Progressives combined, and a plurality over the Republicans of 175. During the Congress session which ended in August the Democrats had a majority of 69 over the Republicans.

Many notable changes in the personnel of the House of Representatives will result from Tuesday's Congressional landslide. The most conspicuous figure that will disappear from public life in consequence of the great Democratic victory is ex-Speaker Joseph G. Cannon, familiarly known as "Uncle Joe," who has been defeated for reelection from the Eleventh District of Illinois by F. J. O'Hair. Until last evening the result in Mr. Cannon's district was in doubt, but the completed count shows that Mr. Cannon has lost by a narrow majority.

This is Mr. Cannon's second defeat for Congress. He was out of the House of Representatives for one term, having been defeated for election in 1896. He was even then a veteran member of the House. Since 1892 "Uncle Joe" has been sent back regularly to Washington, and for many years was the dominating figure in the lower branch of Congress.

James R. Mann, the Republican floor leader in the House, has been re-elected from the Chicago district which he has represented for many terms. But other Republican House leaders from Illinois shared the fate of Mr. Cannon. Representative William B. McKinley, Chairman of the Republican Congressional Campaign Committee and President Taft's manager in the pre-convention campaign for the Republican Presidential nomination, shared the fate of many of his Republican associates in the House. Another Republican House leader from Illinois who suffered defeat is Representative William J. Roddenberg, one of ex-Speaker Cannon's lieutenants. Still another prominent House Republican to be buried under the Democratic victory is J. H. Davidson of the Sixth Wisconsin District. He has been a conspicuous member of the House for many years, but has shown decided Progressive leanings for several terms.

The Democrats made a clean sweep of the Indiana Congressional districts and retired the veteran Crumpacker, who had been foremost in the Republican ranks in the House. Representative Edwin Elmhurst Hill of Connecticut suffered defeat also. His State, like Indiana, is sending a solid Democratic delegation to Congress, which politically is a remarkable overturn in a State that is strongly devoted to the protection policy.

Representative Serena E. Payne, who was floor leader of the Republicans in the House during Mr. Cannon's incumbency of the Speakership, was returned from New York. Joseph W. Fordney, another of Mr. Cannon's lieutenants and firm friends, was elected from the Michigan district that has sent him back to Congress time and again. Representative Nicholas Longworth, son-in-law of Col. Roosevelt, did not escape defeat in the First Ohio District, which is located in the City of Cincinnati. Mr. Longworth ran as a regular Republican, and his strength in the district was

weakened by the fact that he was opposed by a candidate of his father-in-law's new third party.

Another conspicuous member of the House who was rejected by the voters of his district is Representative Cyrus Sullyway of New Hampshire. Sullyway is a giant in size and always attracted much attention from the galleries when the House was in session. The defeat of the two Republican candidates for Congress from his State was one of the great surprises of the election.

All the Democratic House leaders, including Speaker Champ Clark and Representative Oscar W. Underwood of Alabama, Chairman of the Committee on Ways and Means and Committee floor leader, were returned.

JERSEY SWEEP CLEAN.

Trenton.—The cumbersome blanket ballot and split tickets delayed the work of the election boards in tallying the vote throughout New Jersey. The figures on the Presidential vote were as follows: Wilson, 174,691; Taft, 76,853; Roosevelt, 135,933; Wilson's plurality, 97,838.

Eleven of the twelve Congressmen will be Democrats; the State Senate, 12 Democrats to 9 Republicans, and the Assembly, 50 Democrats to 19 Republicans. A Democratic United States Senator and a Democrat to fill Governor Wilson's unexpired term are assured.

HONEST BUSINESS MEN NEED HAVE NO FEAR.

Woodrow Wilson, President-elect, issued this statement: There is absolutely nothing for the honest and enlightened business men of the country to fear.

No man whose business is conducted without violation of the rights of free competition and without such private understandings and secret alliances as violate the principles of our law and the policy of all wholesome commerce and enterprise need fear either interference or embarrassment from the administration.

The responsibilities of the task are tremendous, but they are common responsibilities which all leaders of action and opinion must share, and with the confidence of the people behind us everything that is right is possible.

DEMOCRATS GET U. S. SENATE.

Washington.—The Democrats have obtained control in enough States to insure them the seven seats they needed to give them a majority in the United States Senate.

In Colorado John F. Shafroth and C. S. Thomas, will be elected for the long and short term respectively. J. Walsh is elected in Montana and William B. Thompson, a Democrat, will be chosen in Delaware, where the Legislature stands 29 Democrats to 27 Republicans in joint ballot. William Hughes will be chosen in New Jersey. In Nevada the election of Key Pittman is conceded, thus making the seven. In Nebraska, Morris, Republican, is re-elected.

In Oregon the returns give F. H. Lane, Democrat, the lead in the preference vote. Wilson carried the state and the Legislature will be Democratic, so Lane will succeed Jonathan Bourne.

"NICK" LONGWORTH IS BEATEN.

Cincinnati.—It developed during the counting of the badly scratched and puzzling votes of Tuesday that Representative Longworth, Colonel Roosevelt's son-in-law, and candidate on the regular Republican ticket, had been

MRS. THOMAS R. MARSHALL
Wife of Governor Thomas R. Marshall, of Indiana, the Democratic Vice-President-elect of the United States.

defeated, in so far as the unofficial figures showed, by Stanley E. Bowditch, Democrat.

The unofficial totals give Bowditch about 4,000 more votes than Longworth in the district which has several times sent him to Congress by majorities of from 3,000 to 6,000.

WILSON GETS ILLINOIS.

Chicago.—Illinois swung into the Wilson column with the receipt of returns from many precincts in the southern part of the State. These precincts give Wilson a lead of more than 10,000 over Colonel Roosevelt for the Presidential election.

The defeat of Joseph G. Cannon, former speaker, and William B. McKinley, Taft's pre-convention manager, was definitely established.

Complete figures also show that the Progressives have pulled through three candidates for Congress, Charles M. Thompson, William H. Hushbaugh and L. P. Edwards. Of the 27 representatives 18 will be Democrats.

WILSON NOW GETS WYOMING.

Cheyenne.—Wilson has carried Wyoming by a small majority. He now leads Taft by 433 votes, the Republicans won a majority of four in the State Legislature and the reelection of Senator Francis E. Warren.

The initiative referendum and recall were lost.

WOODROW WILSON SAYS:

"I have no feelings of triumph, but a feeling of solemn responsibility. I know the very great task ahead of me and the men associated with myself."

"Warfare have been done, but they have not been done deliberately. We must have the quietest temper in what we are going to do, and not let any man stir us up. We must have quiet and peace and be resolute of purpose. Let us hear them all patiently and yet, hearing all, let us not be deceived."

COLONEL ROOSEVELT SAYS:

"The American people, by a great plurality, have decided in favor of Mr. Wilson and the Democratic party."

"I like all good citizens, I accept the results with entire good humor and contentment. As for the Progressive cause, I can only repeat what I have said so many times."

PRESIDENT TAFT SAYS:

"I sincerely hope the change in the American economic situation proposed to be made under the Democratic administration will be made, and I can only hope that it can be made without disturbing the nation's prosperity."

President Taft sent this message to Governor Wilson: "I cordially congratulate you on your election and extend to you my best wishes for a successful administration."

MINNESOTA BULL MOOSE.

Minneapolis.—Roosevelt has carried Minnesota. He won the State by 29,000.

Minnesota first was in the Wilson column, then doubtful, then in the Wilson column again. The President elect received a heavy vote in the cities.

KANSAS FOR WILSON BY 12,000.

Topeka, Kan.—That Wilson has carried Kansas by 12,000, and that Stubbs for United States Senator has been beaten by Thompson, Democrat, by 12,000, members of both the Democratic and Republican State committees were agreed.

SENATOR SIMMONS IS DECLARED NOMINATED.

His Official Majority Was 21,261—Josephus Daniels Indorsed for Cabinet Place.

Raleigh, Nov. 11.—Hon. Furnifold M. Simmons, was tonight declared the nominee of the Democratic party to succeed himself. Editor Josephus Daniels was indorsed for a position in Woodrow Wilson's cabinet and Chairman Chas. A. Webb and Secretary Walter E. Brock were given a vote of thanks for their work in the campaign. This in brief was the action of the state Democratic executive committee, which did all this unanimously and adjourned in the best of spirits.

The committee work was done in the afternoon, when a subcommittee composed of Chairman Webb, Secretary Brock, A. D. Watts, E. L. Travis and W. A. Devin, foisted on the vote in the primary. Mr. Travis made the report which showed that Judge Clark received 16,418 votes; Governor Kitchin 47,010, and Senator Simmons, 84,697. Only one county, Avery, failed to report any returns and the returns from Stokes were unofficial. In the primary there were cast 148,115 votes and Senator Simmons got a majority of 21,261 votes.

Judge J. Crawford Biggs moved that the report of the subcommittee be accepted and that Senator Simmons be declared the nominee. The amendment of George L. Petersen that a copy be forwarded to Senator Simmons provoked a laugh and was not put. The Biggs motion was carried unanimously.

J. Reese Blair, of Troy, moved that the committee indorse Josephus Daniels for a position in Woodrow Wilson's cabinet and M. L. Shipman gave a second to it. The motion carried unanimously.

A. D. Watts asked Chairman Webb to retire from the chair and R. N. Hackett was asked to preside. Then Mr. Watts moved that a vote of thanks be tendered Messrs. Webb and Brock, who had to make "brick almost without straw" and who had to contend not only with the enemy but to steer clear of the senatorial fight. The vote was heartily given. Messrs. Webb and Brock expressed their appreciation at the honor, assuring the committee that it was a pleasure to work with them. Mr. Webb told of the victory, saying that Wilson carried the state by over 55,000 and Craig by a large majority.

University Notes.

Chapel Hill, Nov. 18.—As to what occupations college men engage in after graduating has long since been a subject of speculative interest and thought to the people out in the state. This interest, perhaps, comes from the variety of occupations that college graduates pursue on leaving the schools of higher education. The statistics as recently compiled as to the pursuits engaged in by the 1912 graduating class of the University of North Carolina furnishes interesting reading matter. Of 82 members of the class a classification of their present occupations is as follows: 30 are teachers, 23 of the number teaching in the public schools of the state; 11 are studying law; four are studying medicine; ten are in business; three are in electrical work; two are engaged in public road engineering; four are pursuing graduate studies; two are farming; one engaged in Y. M. C. A. work; two are studying for the ministry; and two engaged in the national government service.

The Christian dissonance is erecting a church at Chapel Hill. Dr. W. S. Long, former president of Elon College, is instrumental in having this edifice constructed for the Christian denomination of the community. With the erection of this church, five religious faiths will have houses of worship in Chapel Hill.

Professors N. W. Walker, state inspector of secondary schools, and E. K. Graham, dean of the school of liberal arts of the University, represented the University at the session of the Southern Association of Colleges and Preparatory Schools, which convened at Spartanburg, S. C., on last Thursday and Friday.

Eye Water Before or After.

"I thought that in the fifteen years of my practice of medicine," said a physician, "I had answered almost every possible 'fool' question; but a new one was sprung on me recently. A young man came in with an inflamed eye, for which I prescribed medicine—to be dropped into the eye three times a day. He left the office, but returned in a few minutes, asked his head in the doorway, and asked 'Shall I drop this in the eye before meals or after?'—Everybody's Magazine.

Beauty Hint.

Red elbows, says the Evening News, are happily a thorn which may be removed. Saw off the red elbows, soak them in a bleaching mixture of unslaked lime, steep them in carbolic acid, and they will never trouble you again. Cold feet may be treated similarly.
