Remains Brought Here For Burial.

The remains of Mr. M. G. Manning were brought here from Enfield Monday and buried in the Episcopal cemetery. In the absence of a minister Mr. J. Y. Savage read the burial service. Mr. Manning had only moved from this community to Enfield about one month ago. He was quite an old man and when stricken with pneumonia only lived about six days. He leaves an invalid wife and two daughters.

Dr. Smith's Office in the Rear.

THERE is furniture in your mother's home that you remember there as far back as memory goes, beds and chairs probably that are endeared to you through the very fact of your long association with them. But unless you are careful in buying—AND KNOW WHERE TO BUY—your little boys and girls will not have the opportunity of seeing the furniture of THEIR childhood days when THEY grow up.

The furniture we sell is made from the very best and most thoroughly seasoned timber. It has been treated in the good old fashioned way—and made cabinet makers who follow the old reliable methods of construction. That's why it pays to buy furniture here.

We are expecting a shipment of Chairs and Cook Stoves within the next few days.

The Atlantic Coast Line is offering special low rates to Washington, D. C., on account of the Presidential inauguration. See rates in another column.

On one side of our Main street has been put in first-class condition by the chain gang. Now it is up to the town authorities to keep it in good condition.

There will be services at the Episcopal church Friday evening at 7:30 and Sunday at 11:00 a. m. and 7:30 p. m., the Rev. W. J. Gordon, Spray, N. C., officiating.

Mr. W. C. Allsbrook knows how to grow large turkeys. He sent one to our office some days ago that weighed 7 1/2 pounds and that was 14 inches long and measured 18 inches in circumference.

Rev. O. L. Stringfield Here.

At the Baptist church Sunday morning Rev. O. L. Stringfield preached a regular sermon to the congregation and we have heard many expressions as to how the sermon was enjoyed.

At night there was a union service of the Baptist and Methodist congregations to hear Mr. Stringfield speak on the temperance question. The devotional services were conducted by Rev. N. C. Yearby and then for more than one hour Mr. Stringfield spoke to a large and appreciative audience. Mr. Stringfield is a most entertaining speaker and illustrates his points in an effective way. He appealed to his hearers to let whiskey alone—to shun it as poison.

Mr. Stringfield is traveling the State in the interest of the Anti-Saloon League and this organization has a strong worker in the field.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. The Roads.

Some days ago it was our pleasure to ride over some of the new roads that Superintendent A. T. Dickens has built with the chain gang since he has been in this community. The road leading south to the Edgecomb line as well as the one leading north to Hill's X Roads and on to Tillery have been well worked and are now in the very best condition. Places where it was almost impossible to pull through the sand have been made hard and solid by a mixture of sand and clay and now it is just as easy to pull a load in one place as another.

We understand it is the plan of those having this road work in charge to work the road leading to Palmyra by way of Steptoe's and then the one leading to Balfour Dunn's. Then we will have good roads from all directions leading to Scotland Neck. Then let our township road force keep these roads worked and in condition.

For Dyspepsia

If you suffer Stomach Trouble, and you try our remedy, it won't cost you a cent if it fails.

To prove to you that indigestion and dyspepsia can be thoroughly relieved and that Rexall Dyspepsia Tablets will do it, we will furnish the medicine absolutely free if it fails to give you satisfaction.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate and Pepsin have been properly combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized as invaluable in the treatment of indigestion and dyspepsia. Their proper combination makes a remedy invaluable for stomach relief.

We are so certain that there is nothing so good for stomach ills as Rexall Dyspepsia Tablets that we warrant you to try them at our risk. Three sizes, 25 cents, 50 cents, and \$1.00. You can buy Rexall Dyspepsia Tablets in this community only at our store:

Housework Drudgery!

Housework is drudgery for the weak woman. She fringes, darts and scrubs, or is on her feet all day attending to the many details of the household, her back aching, her temples throbbing, nerves quivering under the stress of pain, possibly dizzy feelings. Sometimes rest in bed is not refreshing, because the poor tired nerves do not permit of refreshing sleep. The real need of weak, nervous women is satisfied by Dr. Pierce's Favorite Prescription, and its name brings and others testify: it Makes Weak Women Strong and Sick Women Well.

This "Prescription" removes the cause of women's weakness, heals inflammation and ulceration. It tranquilizes the nerves, encourages the appetite and increases vitality.

Mrs. BRUCE.

Dr. Pierce is perfectly willing to let every one know what his "Favorite Prescription" contains, a complete list of ingredients on the bottle-wrapper. Do not let any druggist persuade you that his unknown composition is "just as good" in order that he may make a bigger profit.

Mrs. BRUCE, of 221 N. Washington St., Delphos, Ohio, writes: "Having taken your 'Favorite Prescription' for a bad case of intestinal disease and constipation with women's ill, for which I was almost unable to do anything, I think I am safe in saying that there are no remedies in the world like Dr. Pierce's Favorite Prescription and 'Purifying Lotion Tablets.' I am now enjoying the best of health, and thank Dr. Pierce for his wonderful medicine which have done more for me than I can describe."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.
