Easter Sunday.
Good Friday tomorrow.
Don't forget the ball game Monday.

"Tompkins' Hired Man" Tuesday night.

The past several days has been rather cool for the season of year.

There was right much frost Tuesday morning and ice Monday morning.

The old Roanoke river has been rather high the past week, but we hope no serious damage was done.

Don't forget "Tompkins' Hired Man" by local talent, at the school auditorium Tuesday night. Get tickets early.

Miss Reta Johnson is again with Mrs. A. M. Riddick and will be glad to see her friends when they need millinery goods.

Mrs. John Coughenour entertained at dinner last Friday, March 14, in honor of Miss Margaret Bowers, who is to be married on April 23rd.

The large water tank at the Scotland Neck hotel collapsed Thursday night of last week and the noise from the crash was heard some distance and created some little excitement among the guests of the hotel.

We note with pleasure that Dr. J. A. Collins, of Enfield, has been re-appointed a member of the county board of education. Dr. Collins has served on the board of education for a number of years and looks well after the interests of the schools.

The Methodist Sunday school will give an Easter entertainment at the church Sunday night and a collection will be taken for the orphanage. The public is invited to be present and enjoy the exercises by the children.

Mr. S. O. Purvis called at our office Saturday to settle his subscription to The Commonwealth for the next twelve months and in doing so remarked that he had been a subscriber to the paper for twenty-one years. This is the kind of subscribers that we appreciate most.

Miss Mary Anthony died at the home of her brother, Mr. Payton Anthony, in Greenville, on Saturday, the 8th, inst, after a short illness. Her remains were brought to Hamilton for burial. Miss Mary was well known to many of the people of Scotland Neck, being a sister of Mrs. T. H. Pritchard, formerly of this town, but now of Swansboro.

Married Fifty Years.

On March 24th, if Mr. and Mrs. W. T. Joyner live to see it, will be the anniversary of their golden wedding. Owing to the extreme feeble health of the bride, it has been decided best not to attempt to celebrate this occasion. However, Mr. and Mrs. Joyner wish all of their friends, old and young, the same prosperity and happiness which they have enjoyed.

Base Ball Easter Monday.

The opening base ball game of the high school for this season will be played Easter Monday, the 24th, on the local diamond with the strong Tarboro high school team. The home team has gone to considerable expense to get this game and it will be necessary for them to have a good attendance in order to keep out of the hole. If this game is a success, financially, there will be more arranged right away. So if the people of the town want the high school to have a ball team this spring let them show it by going out to this game and helping the boys win financially as well as win the game. The probable line-up of the team will be Marvin Hardy, s. s., Henry Hilliard, 2nd b., Seba Whitehead, 3rd b., Jesse Bowers, c., Frank Whitley, 1st b., Richard House, r. f., Hubert Riddick, c. f., Henry Moore, l. f., Jimmie Shields, p. This team has been carefully picked from the material in hand and is one of the best the school has ever turned out.

Easter Services Sunday.

On Easter Sunday the services at the Episcopal church will be at eleven o'clock in the morning and seven forty-five in the evening, the Archdeacon N. C. Hughes officiating. The Holy Communion will be administered at the morning service. The Sunday school celebration will take place at four in the afternoon and the vested choir will assist with the music. Special music has been prepared for each of these services and the public is most cordially invited to be present. The annual egg hunt will be Monday afternoon.
