The Teachers in Session.

The last meeting for this scholastic year of the Halifax County Teachers' Association was held here Friday of last week. For some cause the attendance was rather small and this was very much regretted for the program could have been carried out to better effect.

The first hours of the morning session were devoted to demonstration work by pupils of the Scotland Neck graded school in their respective rooms. This work was very interesting. After this grade work the teachers gathered in the auditorium where Dr. A. S. Harrison, county superintendent of schools, talked to the teachers about the county commencement to be held at Weldon on Friday, the 2nd day of May.

At one o'clock the teachers and visitors were invited to lunch, prepared by the good lady friends of the school, which was served in abundance and there was plenty to spare.

After lunch the teachers again gathered in the auditorium and listened to some very helpful remarks by Prof. C. W. Wilson, of the Teacher's Training School at Greenville. Prof. Wilson talked on the relationship of the public schools to the various walks of life. He made it clear that the position of teacher carried with it an opportunity to do great good, and inspire the people to higher ideals of life. It is regretted that no more of the teachers and citizens of our town were not present to hear Prof. Wilson.

Death of Minnie O'Neal Dickens.

On April 10, 1913, the death angel entered the home of Mr. and Mrs. B. T. Dickens, near Speed, and took from them their darling baby, Minnie. She was born September 16, 1911, and died April 10, 1913, making her stay on earth one year, six months and twenty-four days.

While her life was short she won the hearts of all who knew her. Little Minnie was sick only a few days, and while her life was despaired of from the first, the end came as a shock to all. All that loving parents, kind friends and physicians could do was done for her, but God in His great wisdom had seen fit to take her home to Him; and I would say unto the bereaved parents weep not for your precious baby, for she is only asleep with Jesus, and we know that our loss is her eternal gain.

A precious one from us has gone,
A voice we loved is still,
The place made vacant in our home
Can never more be filled.
God in His wisdom has recalled
The boon His love has given,
And while we mourn for her on earth
Her soul is safe in heaven.
COUSIN WILLIE.

Little Ella's father was an eminent author, and one day when he was at luncheon the little girl occupied a chair in his study. Shortly a caller was ushered in, and with a pleasant smile inquired:

"I suppose you assist your father in entertaining bores?"
"Yes, sir," replied Ella, gravely,
"please be seated."—Harper's Weekly.
