#### Dr. Anderson Elected.

Raleigh, May 15.—Dr. Albert Anderson, of Raleigh, was yesterday elected and sworn in as superintendent of the State Hospital at Raleigh to succeed Dr. L. J. Picot, incumbent, whose term had expired. The election was unanimous, and there will be no sort of contest, it was announced, Dr. Picot surrendering to the powers that be in a graceful manner. He will continue at the hospital for a few days until the new superintendent familiarizes himself with the details.

#### Brinkleyville Items.

Brinkleyville, May 19.—Mrs. Lizzie Glenn, of Littleton, is visiting her mother, Mrs. Martha Vinson, this week.

Misses Lila, Annie Louise and Agnes Willis have returned from their schools, and are enjoying a much needed rest.

To the delight of his friends, Mr. Thomas C. Taylor has returned from Richmond where for a month or more he has been under the treatment of a skilled specialist and is greatly benefitted. May his noble, useful life be spared for years to come.

The death of Mr. W. E. Mabry, which occurred on last Wednesday, removes from among us one of the best known and most universally loved men among us. He was one of the best men I ever knew, as near the embodiment of sinless perfection as it is possible for man to attain in this life. Like his Lord and Master he went about doing good, and whenever there was suffering in his reach there he was to help. He loved his Lord his church, his brethren, his pastor, and attended every service unless providentially prevented. He entered in the Civil War at the beginning and followed Lee for four years, was taken prisoner a month before the end came and confined at Point Lookout for two months. He was happily married to Miss Mary Lee. Four children blessed this union, three daughters and one son, Mrs. Andrew Hardy, Mrs. George Sexton, and Mrs. Jimmie Ellington survive him. His wife and son preceded him to the Spirit world, having died several years ago. His funeral was preached by his pastor, Rev. A. P. Mustian, at his church in the presence of a large crowd of sorrowing friends and loved ones, and from thence to the old family burying ground where we laid him away to rest, the burial services being conducted by his old friend, and former pastor, Rev. A. G. Wilcox. May God comfort those who weep, and may this beautiful life and happy death be a stimulus to all to follow in his steps as he followed his Lord.

#### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & Co., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.
